4. Since at least as early as 1964, long prior to the acts complained of herein, Wawa, through its predecessor in interest, has used the mark WAWA, alone and/or in combination with a design element, in connection with retail food store services and in the advertising, marketing and sale of the same in interstate commerce.

5. Since at least as early as 1996, long prior to the acts complained of herein, Wawa has used the mark WAWA in connection with motor vehicle service station services and gasoline and in the advertising, marketing and sale of the same in interstate commerce.

7. Wawa’s goods and services sold under the mark WAWA, which are recognized in the United States to be of the highest quality, are offered for sale and sold in interstate commerce.

8. From 1905 to the present, Wawa’s advertising and sales of goods and services under the mark WAWA have been and are significant.

9. As a result of such substantial advertising and sales under the mark WAWA and the maintenance of premium quality standards relating thereto, and the substantially exclusive use of said mark by Wawa, the mark WAWA has become widely and favorably recognized by the general public as a distinctive indication of the origin of the goods and services of Wawa. The mark WAWA has become unique and is identified by the general public solely with Wawa and its goods and services. The mark WAWA has become an extremely valuable symbol of Wawa, its reputation and goodwill.

10. As a result of the foregoing efforts and investment, the mark WAWA has become famous and distinctive.

11. Wawa, under its prior name, duly registered the mark WAWA for “dairy products – namely, fluid milk, buttermilk, skim milk, fortified skim milk, heavy cream, light cream, chocolate milk, non-alcoholic egg nog, ice cream, fresh eggs and butter; bakery products – namely, bread and rolls” in the United States Patent and Trademark Office (“USPTO”) under Registration No. 890,189, which issued April 28, 1970.

12. 21. Wild Goose and Wawa have entered into license agreements under which Wild Goose has granted Wawa an exclusive license to use various marks owned by Wild Goose including, but not limited to, the mark WAWA. By virtue of such licenses, Wild Goose and Wawa are related companies within the meaning of § 5 of the Lanham Act, 15 U.S.C. § 1065. Consequently, all use of the mark WAWA by Wawa inures to the benefit of Wild Goose as a matter of law.

22. Registration Nos. 890,189, 1,299,708, 1,761,847, 2,343,033, 2,319,303, 2,651,851, 2,819,429 and 3,209,740 are each prima facie evidence of the validity the marks shown therein and Wild Goose's ownership thereof, and are constructive notice of ownership of the mark WAWA by Wild Goose, all as provided by §§ 7(b) and 22 of the Lanham Act, 15 U.S.C. §§ 1057(b) and 1072. As Registration Nos. 890,189, 1,299,708, 1,761,847, 2,343,033, 2,319,303 and 2,651,851 have each achieved incontestable status under § 15 of the Lanham Act, 15 U.S.C. § 1065, said registrations are conclusive evidence of Lanham Act's exclusive right to use the mark WAWA in commerce. True and correct copies of current printouts from the USPTO's Trademark Application and Registration Retrieval system database showing the current status and title of Registration Nos. 890,189, 1,299,708, 1,761,847, 2,343,033, 2,319,303, 2,651,851, 2,819,429 and 3,209,740 and Application Serial No. 77/784,479 are annexed hereto as Exhibits A, B, C, D, E, F, G, H and I respectively, and made a part hereof.

23. Notwithstanding Opposers' well-known and prior exclusive rights in the mark WAWA, and long after the mark WAWA had become distinctive and famous, Applicant filed trademark application, Serial No. 77593409, to register the mark WATA and design for purified bottled drinking water in International Class 32, on October 15, 2008.

24. Notwithstanding Opposers' well-known and prior exclusive rights in the mark WAWA, and long after the mark WAWA had become distinctive and famous, Applicant filed trademark application, Serial No. 77743197, to register the mark WATA and design for flavored bottled water; flavored waters and flavored waters in International Class 32, on May 22, 2009.

25. On information and belief, prior to and at the time Applicant filed the involved application, Applicant knew of the mark WAWA and/or Wawa's goods and services.

26. On information and belief, prior to and at the time Applicant filed the involved application, Applicant knew of the renown of the mark WAWA and/or Wawa's goods and services.

27. On further information and belief, Applicant has sought to take advantage of the substantial commercial magnetism of Opposers' mark WAWA by adopting and applying for a confusingly similar mark in connection with purified bottled drinking water, flavored water and flavored bottled water.

28. There is no issue as to priority. The filing date of Applicant's applications are subsequent to the issuance date of Opposers' above-referenced registrations.

29. Applicant's goods, as they are recited in Application Serial Nos 77593409 and 77743197, are similar and closely related to the goods and services recited in Opposers' registrations and application.

30. The conditions surrounding the marketing of the parties' goods and services, as they are recited in Applicant's applications and Opposers' registrations and pending application, are such that they could be encountered by the same purchasers under circumstances that could give rise to the mistaken belief that the goods and services come from a common source.

31. The mark proposed for registration by Applicant, WATA, is likely to cause confusion, mistake or to deceive as to the source of origin of Applicant's bottled water and bottled flavored water contrary to 15 U.S.C. § 1052(d), by causing the consuming public to believe, contrary to fact, that Applicant's water and flavored waters bearing the mark WATA are sponsored, licensed and/or otherwise approved by, or are in some way connected or affiliated with Opposers.

32. If Applicant is permitted to use and register the mark WATA for the beverages specified in the applications herein opposed, confusion in trade resulting in damage and injury to Opposers would be caused and would result by reason of the similarity between the Applicant's mark and Opposers' mark WAWA. In addition, any defect, objection or fault found with Applicant's beverages marketed under the mark WATA would necessarily reflect upon and seriously injure the reputation which Opposers have established for the goods and services marketed under the mark WAWA.

33. If Applicant is permitted to use and register the mark WATA for the beverages specified in the applications herein opposed, confusion in trade resulting in damage and injury to Opposers would be caused and would result by reason of the similarity between the Applicant's mark and Opposers' mark WAWA.

34. Applicant's commercial use of the mark WATA its goods will interfere with Opposers' valuable property rights and would amount to a conversion of such rights from which Applicant unfairly would reap financial profit.

35. If the Applicant is granted the registrations herein opposed, it would thereby obtain at least a prima facie exclusive right to the use of its mark. Such registration would be a source of damage and injury to Opposers.

WHEREFORE, Opposers Wawa, Inc. and Wild Goose Holding Co., Inc. pray that this Notice of Opposition be sustained in favor of Opposers, that Application Serial Nos. 77593409 and 77743197, herein opposed, be refused registration, and for such other and further relief as may be deemed to be just and proper.
