Opposition No. 91192205

The Chamberlain Group, Inc.

v.

ILINKX LLC

Angela Lykos, Interlocutory Attorney

On August 24, 2010, applicant filed a proposed amendment to its application Serial No. 77667583, with opposer's consent.

By the proposed stipulated amendment applicant seeks to change the identification of services **from:**

International Class 9: Software for providing building automation monitoring

to:

Software for providing building automation monitoring, namely software for providing building alarm monitoring for a remotely located home, office, or industrial building by receiving an incoming alarm signal and forwarding the alarm signal to one or more designated individuals

and from:

International Class 45: Building automation monitoring services; Building fire monitoring services

to:

Building automation monitoring services, namely building alarm monitoring services for a remotely located home, office, or industrial building including receiving an incoming alarm signal and forwarding the alarm signal to one or more designated individuals; building fire monitoring

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(a), and because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

If this resolves the dispute herein, opposer is allowed until thirty days from the mailing date of this order to file a withdrawal of the opposition, failing which the opposition will go forward on the application as amended. See Trademark Rule 2.106(c).
