Opposition No. 91192205

The Chamberlain Group, Inc.

v.

ILINKX LLC

**By the Trademark Trial and Appeal Board:**

On October 20, 2010, opposer filed a withdrawal of the opposition in accordance with the parties' settlement agreement and pursuant to an allegation of applicant's consent, conditioned upon the concurrent dismissal of Opposition No. 91192662. The Board notes that the opposer in Opposition No. 91192662 (applicant herein) filed a withdrawal of the aforementioned opposition on October 25, 2010. Accordingly, opposer's contingency has been met.

Notwithstanding the foregoing, Trademark Rule 2.106(c) provides that after an answer is filed, the opposition may not be withdrawn without prejudice except with the **written** consent of applicant.

Opposition No. 91192205

In view thereof, and because the withdrawal was filed after answer and without applicant's written consent, the opposition is dismissed with prejudice.
