AFFIRMATIVE PLEADING

24. Applicant is entitled to registration of trademark application 77/667,583 for the goods originally published for opposition.

25. In the alternative, if it is found that Applicant is not entitled to registration of trademark application 77/667,583 with the goods originally published for opposition, Applicant is at least entitled to registration with the following listing of goods:

IC 009. Software for providing building automation monitoring, namely software for providing building alarm monitoring for a remotely located home, office, or industrial building by receiving an incoming alarm signal and forwarding the alarm signal to one or more designated individuals.

IC 045. Building automation monitoring services, namely building alarm monitoring services for a remotely located home, office, or industrial building including receiving an incoming alarm signal and forwarding the alarm signal to one or more designated individuals; Building fire monitoring services.

26. If necessary, Applicant requests that the Board enter a restriction to the trademark application 77/667,583 under Section 18 and dismiss the Opposition.

1 WHEREFORE, Applicant requests that the Board deny the Opposition and allow
2 registration of Applicant's trademark application 77/667,583.
