Opposition No. **91192388**

Tibi, LLC

v.

Paul Fairall

On February 25, 2010, the parties filed applicant's proposed amendment to its application Serial No. 77738941, with opposer's consent, and opposer's withdrawal of the opposition, contingent upon entry of the amendment.

By the proposed amendment applicant seeks to delete International class 25, in its entirety, and change the identification of goods in International class 14,

from "jewelry" to "religious jewelry."

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(a), and because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

The contingency in opposer's withdrawal having now been met, the opposition is dismissed in accordance with the agreement between the parties.
