v.
Taneeka Bourgeois da Silva and
Christopher da Silva

Re. LearnRus Trademark

Judgment by default should not be entered since the parties are actively engaged in negotiations for the settlement of this matter. Both parties have spent valuable time in negotiating the license agreement proposed by the Plaintiff. Both the Defendant and the Plaintiff have communicated numerous times via email and phone conference in efforts to resolve this matter. The Defendant is aware that an answer was due on June 4, 2010 and would like to further extend its time to answer. Taneeka Bourgeois and Christopher da Silva request more time to allow the parties to continue their settlement efforts. The Defendant wants to ensure that the proposed license agreement is fair and suitable for the needs of their non-profit organization.
