Opposition No. 91192540

Accenture Global Services
GmbH and Accenture Global
Services Limited (joined as
party plaintiff)¹

v.

Senture, LLC

**George C. Pologeorgis,
Interlocutory Attorney:**

Opposers' consented motion (filed July 21, 2011) to suspend these proceedings for sixty days so that the parties may continue with their settlement efforts is granted to the extent noted below.

¹ On July 21, 2011, opposer Accenutire Global Services GmbH filed a consented motion to join Accenture Global Services Limited as a party plaintiff inasmuch as all rights, title and interest in opposer's pleaded Registration Nos. 3091811, 2665373, 2884125, and 3340780 were assigned to Accenture Global Services. Opposer submitted concurrently with its consented motion to join copies of the assignment and recordation of the assignment with the USPTO Assignment Branch. See Reel/Frame 4287/0341. In view thereof, opposer's consented motion to join is granted. Accordingly, Accenture Global Services Limited is hereby joined as a party plaintiff. The Board notes, however, that pleaded Registration No. 2788134 was canceled for failure to file a timely Section 8 affidavit.

Proceedings herein are suspended up to, and including, **September 21, 2011**, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, proceedings shall resume without further notice or order from the Board, upon the schedule set forth below.²

Proceedings resume:	September 22, 2011

Plaintiff's Rebuttal Disclosures	9/1/2012

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.

² This order corrects the parties' previous stipulations to suspend where the parties incorrectly employed the Board's ESTTA "consented motions" forms for suspension for settlement when the next deadline was the deadline for initial disclosures.

Briefs shall be filed in accordance with Trademark Rule 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
