Opposition No. 91192781

Bayer HealthCare LLC

v.

Biogen Idec MA Inc. and
Cardiokine Biopharma, LLC

By the Trademark Trial and Appeal Board:

On April 25, 2012, applicants filed an abandonment of their application Serial No. 77701134 with prejudice and without opposer's written consent.

Inasmuch as applicants filed their abandonment without the written consent of opposer, the Board issued an order earlier today entering judgment against applicant, sustaining the opposition and refusing registration to applicants.

It has come to the Board's attention that the aforementioned Board order inadvertently states that applicants filed their abandonment on March 25, 2012 when, in fact, applicants filed their abandonment on April 25, 2012.

In view thereof, the Board's order issued earlier today is modified solely to the extent to state that applicants

Opposition No. 91192781

filed their abandonment on April 25, 2012. The remainder of the order stands as issued.
