WELLS FARGO & COMPANY

Opposer / Plaintiff,

v.

BRIAN THOMPSON

Applicant / Defendant.

---

**ANSWER TO NOTICE OF OPPOSITION**

TO THE COMMISSIONER OF PATENTS AND TRADEMARKS:

Brian Thompson (Applicant), an individual resident in the State of Maryland, located and having a place of business at 11 Holly Berry Court, Glen Arm, Maryland 21057. Files this Answer to the Notice of Opposition and denies all of the averments raised by the Opposer in opposition to the issuing of WAY2PAY Trademark Application Serial Number 77/448,842 (the "Mark") and hereby provides the following defenses, as provided in The Rules of Practice and Federal Statutes, 37 CFR Part 2, §2.106.

As grounds for the dismissal of the Notice of Opposition, Defendant responds to the Averment of the Opposer as follows:

1. The Way2Pay name has been in use since December 1, 2007. Way2Pay has been in commercial use since 2007.
2. Applicant has had zero mistakes of identity with the Wa2Save mark being confused with Applicant's Application mark. The Way2Pay name was first used in Europe by a consortium of banks, led by ING,, beginning in 2003.

GO & COMPANY

Opposer / Plaintiff,

v.

BRIAN THOMPSON

Applicant / Defendant.

---

3. Opposer has provided no evidence that any misunderstandings, mistaken identities, or confusions have arisen by prospective customers or by the general public.
4. The name, term or company name of Way2Save has conflicts throughout the world markets and has widespread use in Europe, Asia and Africa by parties other than Wells Fargo & Company including but not limited to companies that have subsidiaries using the name, Way2Save.
5. Way2Pay has no conflicts in the United States or in foreign countries.
6. Applicant has conducted a test of the averment that there is a legally recognized potential for confusion and mistakes in the market place with regard to Way2Save. No mistakes or "cross over" identities have occurred in over 33,900 ranked responses to the search "Way2Pay". No instance occurred of a Way2Save cross over to Way2Pay response domain. Please see Exhibit B.
7. Applicant also conducted a test of the averment that there is a legally recognized potential for confusion and mistakes in the market place using the same test for the Way2Save mark. Of the 47,900 ranked responses, there were no "cross over" or mistaken responses. At no time did Way2Pay cross over to Way2Save response domain. Please see Exhibit B.
8. Applicant's initial search box allows 6 responses for search of the Way2Pay phrase and none of these contain or use Way2Save.
9. Opposer's initial search box allows 10 responses for search of the Way2Save phrase; none of the responses have Way2Pay in the search parameter.
10. Opposer's response domain does contain misleads and mistakes, however they are created by unrelated websites and competitor banks, savings & loan institutions, and other financial intermediaries.
11. The Applicant is not in the same business or same industry as the Opposer, which is a commercial bank. Applicant is not a bank and does not offer savings accounts of any description. Way2Pay is the name of Applicant's company that issues credit cards for insurance premium payments.

WELLS FARGO & COMPANY

Opposer / Plaintiff,

BRIAN THOMPSON

Applicant / Defendant.

---

12. The Applicant and his company, Way2Pay, LLC (a Delaware entity created in December of 2007) is not a bank, savings & loan institution or financial intermediary.
13. The Applicant rejects the Opposer's claims contained in averments 11 through 13 inclusive, as being spurious, without foundation, frivolous and without merit.

WHEREFORE, Applicant believes that the Opposer's claim of potential harm is unsubstantiated and does not rise to the level of creditability required in Section 2(d) and 2(e) of the Lehman Act, 15 U.S.C. §1052(d). And that the Opposer's Opposition be determined not to be correct and should be dismissed.

The Applicant prays that the Opposer's Notice of Opposition be denied and a determination in favor of the Applicant be sustained.
