Re: Proceeding No. 91193784

To the Honorable Trademark Trial and Appeal Board,

This letter is an addendum to the notice of opposition regarding opposition #91193784 by The Susan G. Komen Breast Cancer Foundation (hereinafter "Opposer").

I would like to make an apology to the Board and Opposer for a couple things I previously wrote. First, although I believe that I was correct that race is often used for identification purposes, I also believe that I overused and abused it. I should have only used enough to make my point. I believe that my continual use of race was unfair to Opposer.

Secondly, I stated that Opposer may want to take over Juggling For A Cure. I should not have made this statement, as I do not know what Opposer's plans are. It was unfair to Opposer for me to make this statement.

Sincerely,

Ken Lewis,
President
