**MOTION TO EXTEND DISCOVERY**

Applicant, MEDRED, Inc. and Opposer, MEDRAD, Inc., have agreed that an extension to the discovery period is in order. No written discovery has taken place as the parties have explored settlement possibilities. With the expiration of discovery on October 25, 2010, Opposer believes that a 120 day extension of the discovery period, up to and including February 25, 2011, would be appropriate as the parties continue their efforts to settle the case. Applicant believes that only 30 days would be necessary, up to and including November 25, 2010. Discussions have occurred to explore the possibility of settlement and information is being exchanged in furtherance of those discussions. Therefore, at this time, the parties hereby move the Board for an appropriate extension of time.

Per an email of October 22, 2010, counsel for Applicant indicated their agreement to this motion. Wherefore, the parties respectfully request the Board grant this motion.

The Commissioner is hereby authorized to charge any fee due or credit any overpayment to Deposit Account number 132530.

Respectfully submitted,
