v.

Dawn Bolden

**Robert H. Coggins,
Interlocutory Attorney:**

Proceedings are suspended pending disposition of opposer's motion (filed April 1, 2011) to compel initial disclosures, except as discussed below. The parties should not file any paper which is not germane to the motion to compel. See Trademark Rule 2.120(e)(2).

This suspension order does not toll the time for either party to make any required discovery disclosure, to respond to discovery requests which had been duly served prior to the filing and service of the motion to compel, or to appear for a discovery deposition which had been duly noticed prior to the filing and service of the motion to compel. See *Id.* The motion to compel will be decided in due course.
