v.

Desert Sky Graphics, Inc.

**Elizabeth A. Dunn, Attorney (571-272-4267):**

Opposer's motion (filed April 7, 2010) to suspend proceedings pending the disposition of the civil action between the parties fails to indicate proof of service on applicant as required by Trademark Rule 2.119.

In order to expedite this matter, a copy of opposer's April 7, 2010 paper is forwarded herewith to applicant's counsel. Notwithstanding this action by the Board, strict compliance with Trademark Rule 2.119 is required by opposer in all future papers filed with the Board.
