IN THE UNITED STATES PATENT AND TRADEMARK OFFICE
BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD

In the matter of Application Serial No. 77/782,216
Published in the *Official Gazette* on December 15, 2009
Mark: BUG GONE IT & Design

OMS Investments, Inc.,)	
)	
Opposer,)	Opposition No. _____
)	
v.)	
)	
DJL Labs, Inc.,)	
)	
Applicant.)	
_____)	

NOTICE OF OPPOSITION

OMS Investments, Inc., a corporation organized and existing under the laws of Delaware, with an office at 10250 Constellation Boulevard, Suite 2800, Los Angeles, California 90067 (“Opposer”), believes it will be damaged by registration of the BUG GONE IT & Design mark shown in Application Serial No. 77/782,216, and hereby opposes registration of the same pursuant to 15 U.S.C. §§ 1051 *et seq.*, including specifically 15 U.S.C. § 1063.

This Notice of Opposition has been timely filed. As grounds for its opposition, Opposer alleges as follows:

1. Upon information and belief, applicant DJL Labs, Inc. is a Minnesota corporation with a mailing address of 9294 Norell Avenue, Stillwater, Minnesota 55082 (“Applicant”).
2. As illustrated in Application Serial No. 77/782,216, Applicant seeks to register the mark BUG GONE IT & Design for “Anti-insect spray; Insect repellents; Insecticides; Insecticides for domestic use” in International Class 05 (the “BUG GONE IT Mark”).

3. Since at least as early as 1933, Opposer, through its predecessors in interest, has been using in commerce in the United States trademarks incorporating the phrase “B-GON,” including the marks BUG-B-GON and BUG B GON MAX, in connection with a variety of goods.

4. Today, Opposer uses its “B-GON” family of marks for a wide range of insect, animal and pest control products. Opposer owns numerous federal trademark registrations incorporating its famous and distinctive “B-GON” component, all as reflected in the following representative registrations issued on the Principal Register each of which are presently in full force and effect as shown by the records of the United States Patent and Trademark Office (“USPTO”):

Mark	Reg. No.	Goods
ANT B GON	2,646,066	Class 5: Insecticides for agricultural and domestic use.
BIRD-B-GONE	2,658,355	Class 6: Spiked barrier for bird control.
BIRD-B-GONE	2,562,771	Class 6: Pest repellent devices, namely, a metal architectural barrier for preventing birds from landing and perching. Class 19: Pest repellent devices, namely, a non-metal architectural barrier for preventing birds from landing and perching.
BRUSH-B-GON	1,301,169	Class 5: Pesticide-namely, herbicide.
BUG-B-GON	2,073,033	Class 5: Insecticides for home and garden use.
BUG B GON MAX	2,907,105	Class 5: Insecticides for home and garden use.
BUG B GON MAX	2,980,869	Class 5: Herbicides, insecticides, fungicides, miticides, pesticides, and molluscicides, all for domestic use.
GRASS-B-GON	1,995,777	Class 5: Pesticides and herbicides for home and garden use.
MOSQUITO-B-GON	2,952,817	Class 5: Insecticide for domestic use.
MOSS B GON	2,863,145	Class 5: Fungicide for domestic use.
SQUIRREL-BE-GONE	3,095,944	Class 21: bird feeders and bird feeder accessories, namely, squirrel baffles.
WEED-B-GON	0,903,317	Class 5: Herbicides.
WEED-B-GON	2,088,157	Class 5: Herbicides mixed with fertilizers for domestic use.
WEED B GON MAX	3,061,002	Class 5: Herbicides for domestic use.
WEED B GON PRO	3,285,498	Class 5: Herbicides for horticultural use.
WEED B GON PRO	3,290,291	Class 5: Herbicides for horticultural use.

True and correct copies of printouts from the USPTO’s online database reflecting the current status and title of each of these registrations are attached as Exhibit A. Notably, Registration Nos. 2,646,066; 2,562,771; 2,658,355; 1,301,169; 2,073,033; 2,907,105; 1,995,777; 2,863,145; 0,903,317; and 2,088,157 are incontestable.

5. Opposer also owns pending federal trademark applications for additional “B-GON” marks, including:

Mark	App. No.	Goods
BUG-B-GON	77/187581	Class 5: Pesticides, insecticides, fungicides, herbicides, rodenticides, miticides, parasiticides for domestic use; pesticides mixed with fertilizers for domestic use; herbicides mixed with fertilizers for domestic use; turf algaecide, turf fungicide, and turf pesticide for agricultural and domestic use; animal repellents, insect repellents, insect repellents in topical form.
DEER-B-GON	78/898,038	Class 5: animal repellent used to repel deer and other ruminant animals and rabbits.
GRUB B GON	77/756,842	Class 5: insecticides for domestic and agricultural use.

True and correct copies of printouts from the USPTO’s online database reflecting the current status and title of each of these applications are attached as Exhibit B. The “B-GON” registrations and applications are hereinafter referred to as the “B-GON Marks.” Each of the B-GON Marks is distinctive and famous.

6. Notably, among Opposer’s B-GON Marks are Registration No. 2,073,033 for BUG-B-GON; Registration Nos. 2,907,105 and 2,980,869 for BUG B GON MAX; and Application Serial No. 77/187,581 for BUG-B-GON (collectively, the “BUG B GON Marks”).

7. Today, Opposer’s B-GON Marks, including the BUG B GON Marks, are some of the most recognizable and valuable marks in the consumer products industry. Moreover, due to the national, and indeed, worldwide consumer recognition and goodwill of Opposer’s B-GON Marks, consumers have come to recognize the terms B-GON and BUG B GON as also

symbolizing the goodwill inherent in the B-GON Marks, and further, associate the terms B-GON and BUG B GON solely with Opposer and its line of high quality products.

8. No issue of priority exists with respect to Opposer's first use of one or more of its B-GON Marks as set forth above and Applicant's BUG GONE IT Mark. Opposer has used, promoted and advertised its goods, under one or more of its B-GON Marks in commerce since at least as early as 1933. Conversely, Applicant filed Serial No. 77/782,216 for the BUG GONE IT Mark on July 16, 2009, as intent-to-use application under Section 1(b) of the Lanham Act, which is Applicant's constructive date of first use. Accordingly, Opposer has priority over Applicant with respect to the B-GON Marks, including the BUG B GON Marks.

9. Applicant's proposed mark is confusingly similar to Opposer's B-GON Marks because they are similar in sound, meaning and appearance pursuant to 15 U.S.C. § 1052(d). Applicant's proposed BUG GONE IT Mark is nearly identical in sound, meaning and appearance to Opposer's BUG B GON Marks and mimics the overall commercial impression of Opposer's B-GON Marks. Adding to this likelihood of confusion, Applicant's BUG GONE IT Mark covers the exact same products as offered by Opposer under its BUG B GON and B-GON Marks.

10. Given the goodwill and public recognition arising from the association of the famous and distinctive B-GON Marks and BUG B GON Marks with Opposer, consumers are likely to believe that Opposer has licensed, approved or otherwise authorized Applicant's use of the BUG GONE IT Mark, when it has not.

11. The maturation of Applicant's application into registration will cause a likelihood of confusion, mistake or deception with respect to the source or origin of Applicant's goods.

Consumers will erroneously believe that Applicant's goods are produced by or associated with Opposer.

12. Applicant's use and registration of the proposed mark also constitutes dilution by tarnishment and dilution by blurring of Opposer's famous B-GON Marks and famous BUG GONE IT Marks, whose fame was established well before Applicant's constructive dates of first use of its proposed mark, as prohibited by 15 U.S.C. § 1125(c).

13. Pursuant to 15 U.S.C. § 1063(a), Opposer will be damaged by registration of Applicant's proposed mark, which would grant Applicant a *prima facie* exclusive right to use the proposed mark despite Opposer's priority over Applicant and the likelihood of confusion, dilution, and injury to Opposer's goodwill that will be caused by Applicant's mark.

14. In summary, registration of the proposed mark would be incorrect and improper in view of the requirements of the Trademark Act of 1946, as amended, including specifically but not limited to the provisions of 15 U.S.C. §§ 1051, *et seq.*

WHEREFORE, Opposer prays that this Opposition be sustained, and that registration to Applicant for BUG GONE IT & Design in Application Serial No. 77/782,216 for the goods identified in International Class 05 be denied.

Opposer submits this Notice of Opposition via the e-filing procedure of the Trademark Trial and Appeal Board, and hereby authorizes the Board to debit Deposit Account No. 50-1847 of Manatt, Phelps & Phillips LLP for the appropriate filing fee of \$300.00. Please direct all notices, pleadings and correspondence in this matter to the undersigned counsel for Opposer OMS Investments, Inc.

DATED: April 14, 2010

Respectfully submitted,

By: 
Susan E. Hollander, Esq.
