v.

Wayne Lee Hauser Jr.

Cheryl S. Goodman, Interlocutory Attorney:

On July 21, 2010 and July 26, 2010, opposer and applicant respectively, filed a copy of their initial disclosures that were apparently served on applicant/opposer, with the Board.

The parties are advised that initial disclosures, like requests for discovery, responses thereto, and materials or depositions obtained through the discovery process, should not be filed with the Board except when submitted (1) with a motion relating to discovery; or (2) in support of or in response to a motion for summary judgment; or (3) under a notice of reliance during a party's testimony period; or (4) as exhibits to a testimony deposition; or (5) in support of an objection to proffered evidence on the ground that the evidence should have been, but was not, provided in response to a request for discovery. See Trademark Rule 2.120(j)(8).

In view thereof, the parties are advised that the Board will give no further consideration to opposer's and applicant's initial disclosures, filed July 21, 2010 and July 26, respectively.
