v.

UVCleaning Systems, Inc. dba  
Puralytics Corporation

**Robert H. Coggins,  
Interlocutory Attorney:**

On March 30, 2012, opposers' attorney filed a request to withdraw as opposer's counsel of record in this case. The request to withdraw as counsel is in compliance with the requirements of Trademark Rule 2.19(b) and Patent and Trademark Rule 10.40, and is accordingly granted. The law firm of Pattishall, McAuliffe, Newbury, Hilliard & Geraldson LLP no longer represents opposers in this proceeding.

By way of the request, former counsel informs the Board that opposers have retained new counsel. In order to be recognized as opposers' representative, the new attorney should put in an appearance or file a written appointment.

In view of the withdrawal of opposer's former counsel, and in accordance with the request to withdraw, proceedings

Opposition No. 91194706

are suspended retroactively to the filing date of the request, and new counsel is allowed until April 29, 2012, in which to put in an appearance or file a written appointment.

Alternatively, opposers are allowed until April 29, 2012, in which to either file a statement that they will represent themselves or designate in writing an address to which correspondence is to be sent. If opposers file no response, the Board may issue an order to show cause why default judgment should not be entered against opposers based on opposers' apparent loss of interest in the case.

The parties will be notified by the Board when proceedings are resumed, and dates will be rescheduled at the appropriate time. A copy of this order has been sent to each address below:
