NOTICE OF OPPOSITION

ZipWall, LLC believes that it will be damaged by registration of U.S. Application No. 77/671,256, for the mark GREEN ZIP, published in the *Official Gazette* on January 5, 2010, and hereby opposes same. As grounds therefore, Opposer alleges:

1. Opposer, ZipWall LLC, is limited liability company of Connecticut, having a place of business at 37 Broadway, Arlington, Massachusetts 02474. Opposer is a well-known innovator and manufacturer of patented dust barrier systems and components offered under the company's registered ZIPWALL marks and ZIP family of marks (hereinafter, collectively, the "ZIP Marks"). Opposer supplies its products to businesses and individuals in this country and abroad via catalog, suppliers, and the internet.

2. Opposer has adopted, registered, used, and is using in commerce the marks ZIPWALL and ZIPWALL (and Design) shown below for goods in class 019.

ZIPWALL

3. Opposer's distinctive goods are sold in the U.S. and abroad, and Opposer, and its predecessor in interest, have used the ZIP Marks since at least as early as 1997 on products and their packaging, and in advertising and promotion thereof.

4. Through widespread promotion and extensive use, Opposer has also secured strong common law rights in its ZIP Marks. Opposer's ZIP Marks have achieved substantial public recognition and are a very strong source indicator for Opposer's products.

5. Opposer adopted, used, and registered its ZIP Marks well prior to Applicant's filing date. Opposer is the owner of the following U.S. Trademark Registrations for its ZIP Marks in several classes. Registration Nos. 2,296,378 and 2,819,686 are incontestable. Proof of status and title of Opposer's pleaded registrations are attached as Exhibits A - D, taken from the USPTO electronic database records (TARR and Assignment databases):

MARK	REGISTRATION	DATE	GOODS
ZIPWALL	2,296,378	11/30/99	Temporary structures used as dust barriers made of plastic/cloth sheet (class 019)
ZIPWALL	2,819,686	03/02/04	Temporary structures used as dust barriers made primarily of plastic (class 019)
ZIPWALL	2,956,873	05/31/05	Temporary structures used as dust barriers made of plastic, aluminum, and plastic sheeting (class 019)
ZIPHOOK	3,694,969	10/13/09	Accessories for temporary structures used as dust barriers, namely, metal hooks with non-metal bases that attach to the temporary structures (class 006)

6. Opposer is also the owner of the following U.S. Trademark Applications for the ZIP Marks:

MARK	APPLICATION	DATE	GOODS
ZIPRAIL	77/582,897	10/01/08	rails made primarily of metal for use in temporary structures used as dust barriers (class 006)
ZIPPOLE	77/582,895	10/01/08	poles made primarily of metal with non-metal base for use in temporary structures used as dust barriers (class 006)

7. Opposer is informed and believes, and on that basis alleges, that Applicant, W. Frank Little Jr., is an individual having an address at Suite 100, 19726 Indigo Lake Drive, Magnolia, Texas, 77355.

8. On February 16, 2009, Applicant filed an intent-to-use application, serial number 77/671,256, in the U.S. Patent and Trademark Office for the mark GREEN ZIP for “Construction materials, namely, non-metal partitions for use in constructing interior walls in commercial or residential buildings” in class 019.

9. According to the records of the USPTO shown on the TARR website and attached as Exhibit E, Applicant has filed no Allegation of Use. Opposer’s cited U.S. registrations and the filing dates in Opposer’s applications predate Applicant’s filing date. Moreover, Opposer has used its ZIP Marks in commerce for its products from a date long prior to Applicant’s filing date.

10. Applicant’s mark is confusingly similar to Opposer’s ZIP Marks. Applicant’s goods are identical to and/or closely related to Opposer’s goods sold under its ZIP Marks. Applicant’s goods are therefore likely to be sold in the same channels of trade, and to the same classes of customers, as Opposer’s goods sold under its ZIP marks.

11. Applicant’s mark, when applied to the goods listed in application Serial No. 77/671,256, is likely to cause confusion or mistake or to deceive the trade and the purchasing public into believing that Applicant’s goods emanate from or are sponsored, approved or endorsed by Opposer, or into believing that Applicant is in some way related to Opposer.

12. If Applicant is granted the registration opposed herein, it would thereby obtain at least a *prima facie* exclusive right to the use of its mark. Such registration would be a source of damage and harm to Opposer.

WHEREFORE, Opposer requests that this opposition be sustained and that Applicant's application be refused registration.

The required fee is submitted herewith. The Commissioner is authorized to charge any deficiencies or overpayments to Deposit Account No. 50/2762 (Ref. No.: Z2000-5001) of the undersigned attorneys.

Respectfully submitted, this 5th day of May, 2010.
