v.

Nicholas John Kaufman

Michael B. Adlin, Interlocutory Attorney:

Applicant's answer, filed June 25, 2010, is noted and entered into the record. In view of the appearance on behalf of the applicant by the law firm of Dunlap, Grubb & Weaver PLLC, by virtue of filing the answer on applicant's behalf, the June 7, 2010 request to withdraw as applicant's counsel is considered moot and will not receive any further consideration at this time. In the event applicant's counsel refiles the motion to withdraw, it should confirm delivery to the client of all papers and property to which the client is entitled, as required by Patent and Trademark Rule 10.40(a). Dates remain as previously set.
