v.

Nancy Sidonie Cohen

Cheryl S. Goodman, Interlocutory Attorney:

On August 3, 2012, Micah A. Cohen, one of the named party co-defendant's in the pending civil action, which was removed to an arbitration proceeding, notified the Board on behalf of applicant, that the arbitration case which is now the basis for the suspension remains pending.¹ Accordingly, proceedings herein remain suspended pending final disposition of final arbitration between the parties. See Trademark Rule 2.117(a).

¹ Micah A. Cohen is not a party to the Board proceeding. As a **one-time** courtesy, a copy of this order is hereby forwarded to Micah A. Cohen to the email address and business address listed in the August 3, 2012 filing, as well as applicant's correspondence address of record. Applicant is reminded any future papers should be filed by **only** the party defendant of record in this opposition proceeding.

The Board notes that the filing fails to indicate proof of service on opposer, as required by Trademark Rule 2.119.

In order to expedite this matter, a copy of the (August 3, 2012) paper is available at the following link: <http://ttabvue.uspto.gov/ttabvue/ttabvue-91194987-OPP-10.pdf>. Notwithstanding, strict compliance with Trademark Rule 2.119 is required by applicant in all future papers filed with the Board.

Within twenty days after the final decision in arbitration, the parties shall so notify the Board and call this case up for any appropriate action. During the suspension period, the parties shall notify the Board of any address changes for the parties or their attorneys. Upon resumption, appropriate dates will be reset by the Board. Annual inquiry may be made as to the status of the arbitration.
