Opposition No. 91195424

Nature's Sunshine Products,
Inc.

v.

American Naturavit, Inc.

**Robert H. Coggins,
Interlocutory Attorney:**

On June 29, 2011, applicant filed a renewed and consented amendment to application Serial No. 77869057. By the proposed amendment applicant seeks to amend its drawing and to change the filing basis of the application from §1(a) to §1(b).

Inasmuch as the amendments are acceptable under Trademark Rules 2.35(b)(2), 2.72(a)(2), and 2.133(a), they are approved and entered. See TBMP §§ 514.01 and .02 (3d ed. 2011). The basis having now been changed from §1(a) to §1(b), the mark must be republished. See TMEP § 1505.02(f).

If this resolves the dispute between the parties, opposer is allowed until thirty days from the mailing date of this order to file a withdrawal of the opposition, failing which the opposition will go forward on the application as amended. See Trademark Rule 2.106(c).
