Opposition No. 91195535

Smartrac IP B.V.

v.

National Information
Solutions Cooperative, Inc.

Jennifer Krisp, Interlocutory Attorney:

On October 18, 2010, applicant filed a proposed amendment to its application Serial No. 77932557, with opposer's consent.

By the proposed amendment applicant seeks to change the identification of goods **from** "computer software for graphical resource management" **to** "computer software for graphical scheduling of resources, not in the field of radio frequency identification."

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(a), and because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

If this resolves the dispute herein, opposer is allowed until *thirty days* from the mailing date of this order to file a withdrawal of the opposition, failing which the opposition

will go forward on the application as amended. See Trademark Rule 2.106(c).

Proceedings are otherwise suspended.
