**MOTION ON CONSENT TO CONTINUE THE SUSPENSION OF PROCEEDINGS
AND TO EXTEND DISCOVERY PERIOD IF OPPOSITION IS RESUMED**

Opposer, by and through counsel, hereby moves for an order continuing the suspension of the above-captioned proceeding for a period of three (3) months, until **June 7, 2013**.

Applicant’s counsel consented to this motion, which is requested to allow the parties to continue to engage in settlement discussions.

Progress has been made towards a resolution in this matter. Since the last request for suspension, Opposer’s in-house counsel had internal discussions relating to Applicant’s proposal for settlement with a goal towards formulating an appropriate counterproposal. Opposer’s in-house counsel then forwarded to Applicant’s outside counsel a counterproposal and both attorneys have discussed those terms and issues relating to use and registration of the parties’

respective marks. The additional time is requested to allow Applicant's counsel to discuss the counterproposal with Applicant, for Applicant to respond to Opposer's proposed terms, the parties' respective counsel to further negotiate the framework of settlement and for the parties to commit those agreed-upon terms to a draft agreement which, when finalized, would allow them to resolve this matter without the need to proceed with the Opposition.

In the event that the Board denies this motion, Opposer consents to an extension of time for Applicant to file an answer or otherwise respond to the Notice of Opposition.

If the Board grants this motion, the Board should also reset Applicant's time to answer or otherwise respond to the Notice of Opposition until thirty (30) days after the suspension ends. Additionally, the parties request that six (6) months of discovery be allowed and that the discovery cutoff be reset to six (6) months after the proceeding resumes so that the parties will have the full period of discovery in the event that the matter is not able to be resolved. The trial and other periods should be reset accordingly.
