v.

Kelly Van Halen

**M. Catherine Faint,  
Interlocutory Attorney:**

Applicant's motion to compel, filed July 31, 2012 is noted. Proceedings herein are suspended, as of the filing date of the motion, pending disposition of the motion to compel, except as discussed below. The parties should not file any paper which is not germane to the motion to compel. See Trademark Rule 2.120(e)(2).

This suspension order does **not** toll the time for either party to make any required disclosure, to respond to discovery requests which had been duly served prior to the filing and service of the motion to compel, or to appear for a discovery deposition which had been duly noticed prior to the filing and service of the motion to compel. See *Id.* The motion to compel will be decided in due course.
