**MOTION ON CONSENT TO CONTINUE SUSPENSION OF THE PROCEEDINGS
AND TO EXTEND DISCOVERY PERIOD IF OPPOSITION IS RESUMED**

Opposer, by and through counsel, hereby moves for an order continuing the suspension of the proceeding in this matter for a period of four (4) months, until **April 26, 2011**.

Applicant’s counsel consented to this motion, which is requested to allow the parties to continue to engage in settlement discussions.

Since the last suspension, Opposer’s counsel has sent a draft proposed settlement agreement in this matter to Applicant for its review and comments. The additional time is requested to allow Applicant to review the draft settlement agreement and provide its comments to Opposer’s counsel and for the parties to continue to negotiate settlement of this matter. If accepted, the settlement agreement would resolve this matter without the need to proceed with the opposition.

In the event that the Board denies this motion, Opposer consents to an extension of time for Applicant to file an answer or otherwise respond to the Notice of Opposition until sixty (60) days after such denial.

If the Board grants this motion, the Board should also reset Applicant's time to answer or otherwise respond to the Notice of Opposition. Additionally, the parties request that six months of discovery be allowed and that the discovery cutoff be reset to six (6) months after the proceedings resume so that the parties will have the full period of discovery in the event that the matter is not able to be resolved. The trial periods and other periods should be reset accordingly.
