v.

Digitalmojo, Inc.

Eric McWilliams, Supervisory Paralegal:

The stipulation dated April 1, 2015, to suspend proceedings is noted. Because the parties are negotiating for a possible settlement of this case, proceedings herein are suspended until three months from the mailing date of this action, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

In the event that there is no word from either party concerning the progress of their negotiations within the next six months, the Board will issue an order resetting the time for Opposer to respond to Applicant's motion to compel dated March 12, 2015.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
