Opposition No. 91196299

**Eric McWilliams, Supervisory Paralegal:**

The suspension period having expired with no word from either party concerning the status of their negotiations, it is concluded that efforts to reach an amicable settlement in this case have been unsuccessful.

Accordingly, proceedings remain suspended pending Applicant's motion to compel, however Opposer is now allowed until twenty days from the mailing date of this order, in which to respond to Applicant's motion which was dated March 12, 2015.<sup>1</sup>

The motion to compel will be decided in due course.

---

<sup>1</sup> It is noted that in the Board's May 22, 2015 suspension order, it was inadvertently listed that a response was due in three months in the first paragraph and then six months in the second paragraph. The error is regretted however the parties were allowed the full six months to inform the Board of the progress of the parties' negotiations.
