**AMENDMENT TO SERVICES AND DISMISSAL OF OPPOSITION WITH CONSENT**

IT IS HEREBY STIPULATED AND AGREED, by and between the Opposer Synchron International AB, and Applicant Jay A. Evans D/B/A Synchron Technologies, that whereas the Parties have arrived at a settlement in the above-captioned matter, whereby Applicant has agreed to amend the services recited in U.S. Application Serial No. 85/001,358, the Board is respectfully requested to amend the applied-for services to the following:

**"technical support services, namely,** computer software installation, maintenance and repair"

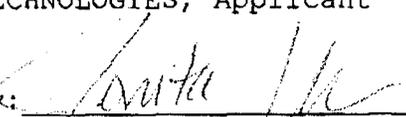

pursuant to 37 CFR § 2.133(a) (additions underlined).

Upon the Board's entry of the above-requested amendment, the Parties further request that the Board enter a dismissal of this Cancellation (without prejudice). See T.B.M.P. § 605.03(b).
