v.

A. Stein Meat Products, Inc.

Veronica P. White, Paralegal Specialist:

Opposer's consented motion (filed July 8, 2015) to further extend disclosure, discovery and trial dates, including dates for the counterclaim, is granted. Trademark Rule 2.127(a). Accordingly, trial dates, including dates for the counterclaim, are reset in accordance with Opposer's motion.

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rules 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

As a final matter, in the event that the parties seek further extensions of time or periods of suspension to facilitate settlement discussions, the parties must support such a request with a detailed report on the progress of their settlement

negotiations to establish good cause. Such a report should address, at a minimum, **1) all dates on which the parties communicated, and the method of each communication (e.g. telephone, email, in-person meeting), 2) the general nature of each communication, 3) the issues that have been resolved, 4) the issues that remain to be resolved or that remain for trial, and 5) a proposed timetable for resolution of the unresolved issues.** Appropriately designated confidential information or materials may be filed under seal and will be barred from public viewing. *See* Trademark Rule 2.126(c); TBMP §§ 120.02 and 502.02(c).

Absent a progress report as required above, a motion to extend or suspend may be denied, even if consented to by the parties. If the Board denies such a motion, dates may remain as previously set. *See* TBMP § 509.01(a).

Due to the requirement for a progress report, the parties can no longer use the ESTTA consent motions form to file future motions to extend or suspend instead use the general filings option.
