Opposition No. 91197381

The Armor All/STP Products  
Company

v.

Demetrios Mavrofrides d/b/a  
Mavromont Industries

On July 8, 2011, opposer filed a stipulated amendment to subject application Serial No. 77896091, and withdrawal without prejudice of the opposition contingent upon entry of the amendment.

By the proposed amendment applicant seeks to change the identification of goods **from** "wheels; wheel rims" **to** "wheels to be sold to classic automobile enthusiasts."

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(a), and because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a). The contingency in opposer's withdrawal having now been met, the opposition is dismissed without prejudice.
