Faronics Corporation

v.

Aristocrat Technologies
Australia Pty Ltd

On November 2, 2011, the parties filed applicant's proposed amendment to its application Serial No. 77785826, with opposer's consent, and opposer's withdrawal without prejudice of the opposition, contingent upon entry of the amendment.

By the proposed amendment applicant seeks to change the identification of goods **from** "Gaming machines, namely, devices which accept a wager " **to** "Gaming machines, namely, non-personal computer based devices used in casinos or other brick and mortar establishments which accept a wager and excluding on-line gaming establishments or other on-line gaming environments."

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(a), and because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

Opposition No. 91197479

The contingency in opposer's withdrawal having now been met, the opposition is dismissed without prejudice.
