Clara Vela, Paralegal Specialist:

Proceedings herein are suspended pending disposition of applicant's motion to compel (filed June 11, 2013), except as discussed below.¹ The parties should not file any paper which is not germane to the motion to compel. See Trademark Rule 2.120(e)(2).

This suspension order does **not** toll the time for either party to make any required disclosure, to respond to discovery requests which had been duly served prior to the filing and service of the motion to compel, or to appear for a discovery deposition which had been duly noticed prior to the filing and service of the motion to compel. See *Id.* The motion to compel will be decided in due course.

¹ Opposer's response (filed July 1, 2013) to applicant's motion to compel and applicant's reply (filed July 22, 2013) are noted.
