No more lugging heavy bottles and have your water replenished as often as you need it. When you sign up for home water delivery with us, you will be working with a respected company who will bring you the freshest, best-tasting drinking water available in New York. We make it simple to choose the best delivery package for you. With a variety of attractive dispensers, your water is ready when you are.

Office Delivery

Keeping your team healthy and hydrated! WE WANT OFFICE DELIVERY

Providing your office with water delivery not only projects a positive image to your team but to your customers as well. With competitive pricing, unmatched service and quality product our services keep companies hydrated while on the job. We custom tailor the amount of water you receive, the delivery frequency and the billing options all to meet your company's needs. Our attention to customer service is part of our dedication to offer complete office delivery service. As well with the most dependable delivery fleet we are on time all the time.

Coffee Service

Making that first cup memorable every morning? THAT GOURMET COFFEE!

Our coffee service is like mixing business and pleasure. Fresh, hot and savory everyday. We provide you with a variety of gourmet coffees, premium brewers and all the extras associated with making a great cup of coffee. When you choose to work with The Manhattan Water Company your company will have access to premium services such as special blends and premium flavors. When working with the Manhattan Water Company you will be able to serve a single cup or entire office staff with the premium

coffee machines we offer. Start today and get that personal service you definitely want when it comes to your morning cup of Joe.

Water Filtration

Clean water all the time! WOULD I LIKE A WATER FILTER

Here at The Manhattan Water Company we are involved in all aspects of the water industry and filtration is one that we keep very involved in because of its importance. We offer filtration equipment that meets the needs of the small office and large cities. Filtration equipment is only as good as the filters and how often it's switched out. You can rest assure we provide amazing attention to detail in everyone of our customers filtration needs.

Vending Services

Healthy, Sustainable and Innovative! WANT A VENDING MACHINE

The Manhattan Water Company delivers some of the most innovative vending machines around. With our new healthy vend solutions we bring fresh organic products right to your fingertip. We wrap fresh food, innovative ideas and sustainability into every one of our machines. All our machines are

electronically monitored to be able to provide you with the best service around. We keep your machine stocked all the time.

Private Label

Your label your bottle! **WANT A PRIVATE LABEL?**

Here at The Manhattan Water Company we offer a turnkey solution for businesses looking for private label bottled water. Whether your needs are for small runs or large for marketing or full production we can help. Our process goes over all the stages of production so we can meet all of our customers needs. From caps to labels to the bottle the choice is yours.

Student Delivery

Fresh water is vital to students! **NEED A STUDENT WATER CARD?**

Student budgets, worrying parents, long study hours, demanding social circles and cramped living conditions all lead to dehydration. We have designed special student water purchasing cards that can be

purchased with a pre-loaded dollar amount and reloaded to allow a student availability to fresh water at a discounted rate whenever they need it. This special program is only for students. Students will receive 15% off everything we offer. It will allow a student an economical and easy way to keep hydrated. You can get delivery whenever you want, on or off campus.

Catering and Food Service

We keep you stocked **Our Event Needs Water**

Catering and Foodservice operations are a very strong area for The Manhattan Water Company. We provide countless caterers and foodservice operations with full service water and coffee service. With our local cash and carry allowing for convenient pickup at any hour to our full service delivery we are there when you needs us. For larger operations like cafeterias and food concessions we can provide full service coffee and water kiosks capable of serving over 1000+ cups of coffee a day. No matter what your situation you can count on The Manhattan Water Company to be there for your foodservice operation.

Consulting

Guiding your efforts in the water industry! **TALK TO US**

The Manhattan Water Company is involved in all aspects of the water industry. Over time we have received many calls from individuals to corporations looking for guidance in executing some of their goals in a water related venture. With our expertise and more importantly our experience we have been able to put these ventures on the fast track to success. If you have a situation or venture that you need some assistance with please feel free to give us a call and speak with our senior business consultant to evaluate your needs and how we can assist your needs.

**IN THE UNITED STATES PATENT AND TRADEMARK OFFICE BEFORE THE
TRADEMARK TRIAL AND APPEAL BOARD**

TYR Sport, Inc.

Opposer

v.

Opposition Nos. 91197669 and 91197670

Marc Dushey.

Applicant

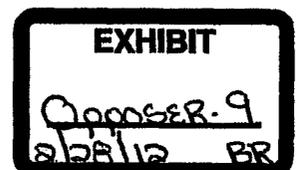

**APPLICANT'S RESPONSE TO OPPOSER'S FIRST SET OF REQUESTS FOR
PRODUCTION OF DOCUMENTS 1-54**

In accordance with the provisions of Rules 26 and 34 of the Federal Rules of Civil Procedure, Applicant, Marc Dushey ("Applicant") hereby responds and objects to Opposer's First Set of Requests for Production of Documents 1-54 as follows:

PRELIMINARY STATEMENT

Applicant responds to Opposer's First Set of Requests for Production of Documents 1-54 without waiving, or intending to waive, and expressly preserving:

1. All objections as to competency, relevancy, materiality, privilege, and admissibility of the responses and the subject matter thereof as evidence for any purpose in any further proceeding in this Opposition (including the trial of this Opposition) and in any other action;

2. The right to object to the use of any such responses, or the subject matter thereof, on any ground in any further proceeding of this Opposition (including the trial of this Opposition) and in any other action;

3. The right to object on any grounds at any time to a demand for further responses to these or any other discovery requests; and

4. The right at any time to revise, correct, add to, supplement, or clarify any of the responses contained herein.

GENERAL OBJECTIONS

The following general objections apply to each of the separate requests for production propounded by Applicant. Accordingly, each of Applicant's general objections herein are incorporated by reference in each of its responses to Opposer's requests for production as if separately set forth at length therein.

A. Applicant objects to those requests that seek information outside of the allegations contained in Opposer's Notice of Opposition and Applicant's Answer.

B. Applicant objects to those requests that call for information that would impose upon Applicant a vexatious and undue burden on the ground that such a request is oppressive and/or is intended to harass Applicant.

C. Applicant objects to those requests that are vague, ambiguous, or otherwise lack sufficient precision to permit a response.

D. Applicant objects to those requests that seek material or information prepared by or developed at the direction of counsel to the extent that it is protected or privileged as attorney work product.

E. Applicant objects to those requests that seek information that is neither relevant to the issues in this Opposition nor reasonably calculated to lead to the discovery of admissible evidence.

F. Applicant objects to those requests that seek information that is subject to the attorney-client privilege and/or any other relevant privilege.

G. Applicant objects to each request to the extent that it seeks information already known or available to Opposer or documentation in Opposer's possession, which may be obtained more readily by Opposer and without subjecting Applicant to unreasonable burden and expense.

H. Applicant objects to each request to the extent that it seeks confidential or proprietary information, including confidential or proprietary information of third parties, personnel information or information protected by Trademark Trial and Appeal Board Order.

I. Applicant objects to each request to the extent that it calls for a legal conclusion.

J. Applicant does not concede that any of these responses, or information provided in these responses, is or will be admissible at a trial or any hearing in this action. Applicant does not waive any objection, on any ground, whether or not asserted herein, to the use of any such responses at any such trial or hearing.

DOCUMENT REQUESTS AND RESPONSES

Subject to and without wavier of the General Objections stated above or the specific objections asserted in responses to Opposer's requests for admission, and subject to Applicant's right to amend and supplement these responses as discovery and investigation continues, Applicant responds to Opposer's First Request for Admissions within the limits of said objections as follows:

REQUEST NO. 1:

All documents and things which reflect, refer to, relate to, or concern Dushey's design, conception, selection, and adoption of the mark or designation "FYR" (see Definitions and Instructions) and the design reflected in Application Serial No. 85013113 in connection with each type of product or service identified in response to Interrogatory No. 1.

RESPONSE:

Applicant is not aware of any responsive documents.

REQUEST NO. 2:

All documents and things which reflect, refer to, relate to, evidence or concern the consumer awareness of, consumer understanding of, or reaction to, or availability of any mark or designation consisting of the term "TYR" for Dushey's products and/or services.

RESPONSE:

Applicant is not aware of any responsive documents.

REQUEST NO. 3:

All documents and things which reflect, refer to, relate to, evidence or concern the domain name and trademark availability of any mark or designation consisting of the term "TYR," including but not limited to the design shown in Application Serial No.85013113.

RESPONSE:

Applicant objects to this request upon the grounds that it is overbroad, vague, ambiguous, unduly burdensome and to the extent that it seeks information not reasonably calculated to lead to the discovery of evidence that would be admissible at trial. Subject to the foregoing objections, Applicant will produce responsive, non-privileged documents in its possession, custody or control to the extent any such documents exist including trademark search reports. Applicant reserves the right to supplement its response within a reasonable time prior to trial.

REQUEST NO. 4:

All documents and things which reflect, refer to, relate to, evidence or concern any service mark use, trademark use, or use analogous to trademark/service mark use or other propriety use, occurring on or before March 10, 2010 of any mark or designation consisting of or including the term "TYR" by or for Dushey in the United States.

RESPONSE:

Applicant objects to this request upon the grounds that it is overbroad, vague, ambiguous, unduly burdensome and to the extent that it seeks information not reasonably calculated to lead to the discovery of evidence that would be admissible at trial. Subject to the foregoing objections, Applicant will produce responsive, non-privileged documents in its possession, custody or control

to the extent any such documents exist. Applicant reserves the right to supplement its response within a reasonable time prior to trial.

REQUEST NO. 5:

Representative documents and things which reflect, refer to, relate to, evidence, or concern any service mark use, trademark use, or use analogous to trademark/service mark use, or other proprietary use, occurring after March 10, 2010, of any mark or designation consisting of or including the term "TYR" by or for Dushey, in the United States.

RESPONSE:

Applicant will produce responsive, non-privileged documents in its possession, custody or control to the extent any such documents exist. Applicant reserves the right to supplement its response within a reasonable time prior to trial.

REQUEST NO. 6:

All documents and things which reflect, refer to, relate to, evidence, or concern (a) any trademark availability searches or analyses conducted by or on behalf of Dushey concerning any mark or designation consisting of or including the design shown in Application Serial No. 85013113 in the United States; and (b) all documents and things which reflect, refer to, relate to, evidence or concern any information given in response to Tyr Sport's Interrogatory Nos. 14 and 15.

RESPONSE:

(a) Applicant will produce responsive, non-privileged documents in its possession, custody or control to the extent any such documents exist. Applicant reserves the right to supplement its response within a reasonable time prior to trial. (b) See responses to Interrogatory Nos. 14 and 15.

REQUEST NO. 7:

All documents and things which reflect, refer to, relate to, evidence, or concern advertising and/or promotional and/or marketing activity carried on by Dushey in connection with any product or service on which or in connection with which any mark or designation consisting of or including the term "TYR" has been used in any fashion by Dushey.

RESPONSE:

Applicant objects to this request upon the grounds that it is overbroad, vague, ambiguous, unduly burdensome and to the extent that it seeks information not reasonably calculated to lead to the discovery of evidence that would be admissible at trial. Subject to the foregoing objections, Applicant will produce representative responsive, non-privileged documents in its possession, custody or control to the extent any such documents exist. Applicant reserves the right to supplement its response within a reasonable time prior to trial.

REQUEST NO. 8:

All documents and things which reflect, refer to, relate to or evidence the date any mark or designation consisting of or including the term "TYR" was first used by or on behalf of Dushey for each type of product or service identified in response to Interrogatory Nos. 1, 2 and 4.

RESPONSE:

Applicant objects to this request upon the grounds that it is overbroad, vague, ambiguous, unduly burdensome and to the extent that it seeks information not reasonably calculated to lead to the discovery of evidence that would be admissible at trial. Subject to the foregoing objections, Applicant will produce responsive, non-privileged documents in its possession, custody or control

to the extent any such documents exist. Applicant reserves the right to supplement its response within a reasonable time prior to trial.

REQUEST NO. 9:

Documents sufficient to support the information-given in response to Tyr Sport's Interrogatory Nos. 10, and 11.

RESPONSE:

Applicant will produce responsive, non-privileged documents in its possession, custody or control to the extent any such documents exist. Applicant reserves the right to supplement its response within a reasonable time prior to trial.

REQUEST NO. 10:

All documents and things which reflect, refer to, relate to or evidence a discontinued or interrupted use of any mark or designation consisting of or including the term "TYR" by Dushey, after its first use, for any of the products or services identified in response to Interrogatory Nos. 1, 2 and 4.

RESPONSE:

Applicant is not aware of any responsive documents.

REQUEST NO. 11:

All documents and things which reflect, refer to, relate to or evidence the information given in response to Tyr Sport's Interrogatory No. 5.

RESPONSE:

See response to Interrogatory No. 5.

REQUEST NO. 12:

All documents and things tending to support or negate Dushey 's contention in Answer to the Notice of Opposition that the Tyr Sport's Marks do not so resemble Dushey's Marks as to be likely when used in connection with the goods of Tyr Sport to cause confusion or to cause mistake or to deceive.

RESPONSE:

Applicant objects to this request upon the grounds that it is overbroad, vague, ambiguous, unduly burdensome and to the extent that it seeks information not reasonably calculated to lead to the discovery of evidence that would be admissible at trial. Subject to the foregoing objections, Applicant will produce responsive, non-privileged documents in its possession, custody or control to the extent any such documents exist. Applicant reserves the right to supplement its response within a reasonable time prior to trial.

REQUEST NO. 13:

All documents and things tending to support or negate Dushey's Affirmative Defenses.

RESPONSE:

REQUEST NO. 14:

All documents and things which reflect, refer to, relate to, evidence, or concern any mail, telephone calls, checks, orders, inquiries, payments, complaints, deliveries or other communications or materials which were received by Dushey, but which were addressed to or

which appeared to have been intended for Tyr Sport or which relate to Tyr Sport's products offered Tyr Sport's mark pleaded in the Notice of Opposition.

RESPONSE:

Applicant objects to this request upon the grounds that it is overbroad, vague, ambiguous, unduly burdensome and to the extent that it seeks information not reasonably calculated to lead to the discovery of evidence that would be admissible at trial. Subject to the foregoing objections, Applicant will produce responsive, non-privileged documents in its possession, custody or control to the extent any such documents exist. Applicant reserves the right to supplement its response within a reasonable time prior to trial.

REQUEST NO. 15:

All documents and things in Dushey's control, custody or possession which concern, reflect, refer to or relate to or mention Tyr Sport, the Tyr Sport Marks or Tyr Sport's products or services.

RESPONSE:

Applicant objects to this request upon to the extent it seeks documents which are subject to attorney-client privilege. Subject to the foregoing objections, Applicant will produce responsive, non-privileged documents in its possession, custody or control to the extent any such documents exist.

REQUEST NO. 16:

All documents and things which reflect, refer to, relate to or concern any state or federal trademark applications filed by Dushey which would cover any mark consisting of or including the term "TYR."

RESPONSE:

Applicant objects to this request upon the grounds that it is overbroad and seeks information which is readily available to Opposer. Subject to the foregoing objections, Applicant will produce responsive, non-privileged documents in its possession, custody or control to the extent any such documents exist.

REQUEST NO. 17:

All documents and things which reflect, refer to, relate to or concern the design and selection of the TYR marks, including but not limited to the creation, mark-up and selection of the design shown in Application Number 85013113, and the rejection of any alternative marks or names or designs.

RESPONSE:

Applicant objects to this request upon the grounds that it is overbroad and to the extent that it seeks information not reasonably calculated to lead to the discovery of evidence that would be admissible at trial. Subject to the foregoing objections, Applicant will produce responsive, non-privileged documents in its possession, custody or control to the extent any such documents exist.

REQUEST NO. 18:

All documents reflecting relating to or concerning any activity by an advertising agency or public relations firm or other person (or an individual or organization internal to Dushey performing a similar function), including correspondence, relating to Dushey's products and/or services to be offered or sold or proposed to be offered or sold in connection with any mark or designation consisting of or including the term "TYR" or the design shown in Application Number 85013113.

RESPONSE:

Applicant is not aware of any responsive documents.

REQUEST NO. 19:

Documents sufficient to show all channels of trade through which Dushey's products or services offered under the "TYR" marks (see Definitions and Instructions) move or will move and the marketing channels used or intended to be used by Dushey for such products or services.

RESPONSE:

Applicant objects to this request upon the grounds that it is overbroad and unduly burdensome and to the extent that it seeks information not reasonably calculated to lead to the discovery of evidence that would be admissible at trial. Subject to the foregoing objections, Applicant will produce responsive, non-privileged documents in its possession, custody or control to the extent any such documents exist.

REQUEST NO. 20:

Documents sufficient to show all classes or types of purchasers to whom Dushey markets, or to whom Dushey intends to market, its products or services and who purchase or will purchase any products or services offered by or on behalf of Dushey under the Marc Dushey Marks.

RESPONSE:

Applicant objects to this request upon the grounds that it is overbroad and unduly burdensome and to the extent that it seeks information not reasonably calculated to lead to the discovery of evidence that would be admissible at trial. Subject to the foregoing objections, Applicant will produce responsive, non-privileged documents in its possession, custody or control to the extent any such documents exist.

REQUEST NO. 21:

To the extent not produced in response to an earlier request, a representative example of each different advertisement or promotional material, presently distributed by or for Dushey, or planned to be distributed by or for Dushey, that mentions, identifies, or describes any products or services offered by Dushey under the Marc Dushey Marks.

RESPONSE:

Applicant objects to this request upon the grounds that it is overbroad and unduly burdensome and to the extent that it seeks information not reasonably calculated to lead to the discovery of evidence that would be admissible at trial. Subject to the foregoing objections, Applicant will produce responsive, non-privileged documents in its possession, custody or control to the extent any such documents exist.

REQUEST NO. 22:

To the extent not produced in response to an earlier request, a full copy of each different electronic advertisement, including but not limited to a complete copy of every web page, now or ever distributed by or for Dushey, or planned to be distributed by or for Dushey, that mentions, identifies or describes any products or services offered by Dushey under the Marc Dushey Marks.

RESPONSE:

Applicant objects to this request upon the grounds that it is overbroad, vague, ambiguous, unduly burdensome and to the extent that it seeks information not reasonably calculated to lead to the discovery of evidence that would be admissible at trial. Subject to the foregoing objections, Applicant will produce representative responsive, non-privileged documents in its possession, custody or control to the extent any such documents exist.

REQUEST NO. 23:

Documents and things sufficient to show Dushey's use of the TYR marks in connection with each and every product and service offered by Dushey for each year since the earliest date of first use that Dushey will claim in these proceedings.

RESPONSE:

Applicant objects to this request upon the grounds that it is overbroad, vague, ambiguous, unduly burdensome and to the extent that it seeks information not reasonably calculated to lead to the discovery of evidence that would be admissible at trial. Subject to the foregoing objections, Applicant will produce responsive, non-privileged documents in its possession, custody or control to the extent any such documents exist.

REQUEST NO. 24:

Documents sufficient to establish Dushey's sales, by dollar and unit volume, for each service rendered or product sold or offered for each year since Dushey first used any mark or designation consisting of or including the term TYR.

RESPONSE:

Applicant will produce responsive, non-privileged documents in its possession, custody or control to the extent any such documents exist.

REQUEST NO. 25:

Documents sufficient to establish Dushey's advertising expenditures, by dollar volume, and by media, for each year since Dushey first used any mark or designation consisting of or including the term TYR.

RESPONSE:

Applicant will produce responsive, non-privileged documents in its possession, custody or control to the extent any such documents exist. Applicant issues the right to supplement its response within a reasonable time prior to trial.

REQUEST NO. 26:

A complete list of Dushey's distributors and retail and wholesale outlets, including but not limited to brick and mortar and Internet distributors, for each year since Dushey first used any mark or designation consisting of or including the term TYR.

RESPONSE:

Applicant objects to this request upon the grounds that it is overbroad, vague, ambiguous, unduly burdensome and to the extent that it seeks information not reasonably calculated to lead to the discovery of evidence that would be admissible at trial. Subject to the foregoing objections, Applicant will produce responsive, non-privileged documents in its possession, custody or control to the extent any such documents exist. Applicant issues the right to supplement its response within a reasonable time prior to trial.

REQUEST NO. 27:

For each good or service now or ever promoted by or on behalf of Dushey in the United States under the mark TYR, documents sufficient to show in U.S. dollars the amount Dushey has expended annually promoting each of those goods and services for each year since first use; the types of advertising media employed; the geographic regions of the United States in which each type of media was employed; and the amount expended each year for each type of media.

RESPONSE:

Applicant objects to this request upon the grounds that it is overbroad, vague, ambiguous, unduly burdensome and to the extent that it seeks information not reasonably calculated to lead to the discovery of evidence that would be admissible at trial. Subject to the foregoing objections, Applicant will produce responsive, non-privileged documents in its possession, custody or control to the extent any such documents exist.

REQUEST NO. 28:
