v.

Lavatec, Inc.

**Amy Matelski, Paralegal Specialist:**

On March 27, 2015, Applicant filed a notice of a change of name. On April 21, 2015 the Board allowed Applicant time to provide the appropriate evidence of its change of name, failing which the proceedings would continue in Applicant's current name of record. No response was received.

In view thereof, the proceeding will continue in applicant's current name of record, Lavatec, Inc. Proceedings remain suspended pending final determination of the civil action. *See* Trademark Rule 2.117(a).

Within twenty days after such final determination, the parties shall notify the Board so that this proceeding may be called up for appropriate action. Such notification to the Board should include a copy of any final order or final judgment which issued in the civil action.

During the suspension period, the parties shall notify the Board of any address changes for the parties or their attorneys.
