v.

Voss Laundry Solutions Inc.

Andrew P. Baxley, Interlocutory Attorney:

Proceedings were suspended pending final disposition of a civil action between the parties. In response to the Board's status request of the civil action, Applicant on July 5, 2016 advised the Board that the civil action had closed and the parties were attempting to implement a settlement.

In view thereof, proceedings herein remain suspended until November 23, 2016 to allow the parties' time in which to implement their settlement. If there is no word from either party concerning the progress of such implementation by the end of the suspension period, the Board will reset remaining briefing dates in connection with Applicant's motion for summary judgment, filed January 28, 2013.
