IN THE UNITED STATES PATENT AND TRADEMARK OFFICE
BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD

InterDigital, Inc. and InterDigital
Communications Corporation,

Opposers

v.

Communications Venture Corporation,

Applicant.

Date: December 29, 2010

Opposition No. _____

STATEMENT OF CLAIM

InterDigital, Inc., a corporation organized and existing under the laws of Pennsylvania having its principal place of business at 781 Third Avenue, King of Prussia, PA 19406 and InterDigital Communications Corporation, a corporation organized and existing under the laws of Pennsylvania, and existing in privity with InterDigital, Inc. having its principal place of business at 781 Third Avenue, King of Prussia, PA 19406 (“Opposers”), believe that they will be damaged by registration of the marks identified below, and hereby oppose the same.

Description of Applicant's applications (“Applicant's Marks”):

Mark: INDIGITAL TELECOM

Certificate of Filing

I hereby certify that this correspondence is filed online via ESTTA to: Trademark Trial and Appeal Board on 12/29/2010.

12/29/10
Date of Signature

John J. O'Malley, Esquire

Application Serial No. 77/851,411 filed on October 19, 2009, published for
Opposition in the August 31, 2010 Official Gazette at page TM 871.

Application Serial No. 77/851,506 filed on October 19, 2009, published for
Opposition in the August 31, 2010 Official Gazette at page TM 872.

Application Serial No. 77/857,962 filed on October 27, 2009, published for
Opposition in the September 14, 2010 Official Gazette at page TM 514.

Identification of Goods/Services for Applicant's Marks: International Class 38,
"Active Telecommunication services, namely, transmission of voice, data, graphics,
images, audio and video by means of telecommunications networks, wireless
communication networks, and the Internet" ("Applicant's Services").

Computer-generated copies of Trademark Application Serial Nos. 77/851,411,
77/851,506, and 77/857,962 printed from the USPTO's TARR internet website pages at
<http://tarr.uspto.gov/> are attached hereto as Exhibits A, B and C.

The grounds for opposition are as follows:

1. Since at least as early as 1992, Opposers have continually used and/or
promoted the INTERDIGITAL trademarks (also referred to as "Opposers' Marks") for
use in conjunction with services in the field of wireless and digital communications

and wireless and digital communication system equipment. (“Opposers’ Goods/Services”).

2. As reflected in the records of the United States Patent and Trademark Office (USPTO), Opposers are the owner of the following registrations for Opposers’ Marks. In addition, Registration No. 1,912,057 is incontestable. Computer-generated copies of the following registrations printed from the USPTO’s TARR internet website pages at <http://tarr.uspto.gov/> are attached hereto as Exhibits D and E.

Mark	Registration No.	Registration Date	Goods/Services	Owner of Record
INTERDIGITAL	1,912,057	August 15, 1995	In International Class 38: radio telephone communication services In International Class 42: technical consultation in the field of digital wireless communications, including radio frequency analysis, assistance in compliance with government regulations	Interdigital, Inc.
INTERDIGITAL	3,786,350	May 4, 2010	In International Class 9: Semiconductor devices, integrated circuit basebands, integrated circuit modules, integrated circuits for signal processing in wireless communication devices, integrated circuits incorporating algorithms for use in signal processing, application specific integrated circuits (ASIC), computer chipsets for use in transmission of data to and	InterDigital Communications Corporation

Opposers: InterDigital, Inc. and
InterDigital Communications Corporation
Opposition No.: _____

Mark	Registration No.	Registration Date	Goods/Services	Owner of Record
			<p>from central processing units, and wireless modems; architecture systems comprised of software and hardware platforms for facilitating voice and data transmission and for operating communication systems, communication devices, communication hubs, and antenna; digital telephone platforms and software; software and protocol stack software used for the design, development and deployment of wireless communication systems and wireless communication devices; software for signal processing in wireless communication devices and systems; application software for operating wireless devices; software for use in operating electronic devices, including modems, antennas, mobile phones, telephone sets and wireless terminals</p> <p>In International Class 42: Engineering, research, and consultation services in the field of wireless and digital communications; designing and testing wireless and digital communications systems, equipment and components thereof for others; computer software design for others in the field of wireless and digital communication systems; licensing intellectual</p>	

Mark	Registration No.	Registration Date	Goods/Services	Owner of Record
			property; technical support services, namely, troubleshooting of computer hardware and software problems	

3. The trademark "INTERDIGITAL" is completely arbitrary and inherently distinctive as applied to Opposers' Goods/Services.

4. Opposers' mark is famous within its industry.

5. By virtue of the continuous offering and promotion of Opposers' Goods/Services under Opposers' Marks, and by virtue of maintenance of the high quality and standards relating thereto, Opposers' Marks have come to be recognized and favorably known.

6. Through its efforts and expenditures, Opposers' INTERDIGITAL marks have acquired a good and valuable reputation.

7. Applicant's Goods/Services are virtually identical to, similar to, or related to, Opposers' Goods/Services.

8. Applicant's Goods/Services and Opposers' Goods/Services are targeted to or would likely be used by similar customers.

9. Applicant's Goods/Services would likely be offered through channels of trade similar to the channels through which Opposers' Goods/Services travel.

10. Applicant's Marks and Opposers' Marks are likely to be confused by relevant consumers and members of the trade due to the identical or similar

commercial impression created by Applicant's Marks and Opposers' Marks.

11. Any defect, objection or fault found with Applicant's products marketed under Applicant's Marks would necessarily reflect upon and seriously injure the reputation Opposers have established for their goods and services marketed under Opposers' Marks.

12. If the Applicant is permitted to use and register Applicant's Marks for the goods specified in the applications, the resulting confusion will harm and damage Opposers.

13. A consumer familiar with Opposers' Goods/Services offered under Opposers' Marks, upon seeing Applicant's Marks used in connection with Applicant's Goods/Services, would be confused that Applicant's Goods/Services are associated with, sponsored by, or licensed from Opposers, which they are not.

14. If Applicant is granted the registrations herein opposed, Applicant would thereby obtain at least a *prima facie* exclusive right of use of its marks and such registrations would be a source of damage and injury to Opposers.

15. For the foregoing reasons, the Opposers would be damaged by the registration of Applicant's Marks respectfully requests that its opposition be granted.

WHEREFORE, Opposer prays that Application Registration For Extension Of Protection Serial Numbers 77851411, 77851506, and 77857962 be rejected, and that the mark therein for the services herein specified be denied and refused.

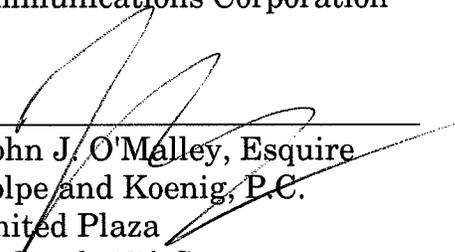

Opposers: InterDigital, Inc. and
InterDigital Communications Corporation
Opposition No.: _____
