Exhibit 7

The full launch of the *Fan Family Experience!*

“What is the FanFamily Experience?”

There will be a variety of activities and events that allow us to join forces on everything we do this year – from the 3D movie to the World Tour to the release of our new CD. But our first FanFamily project is to make the OPENING WEEKEND OF THE 3D MOVIE the BIGGEST FAN EVENT EVER

more...

“Now, this is what’s really exciting. Here is the list of prizes you could win by being a top fan on The FanFamily Experience!

- TOP FAN in the First FanFamily Project: Pair of round trip travel accommodations, pair of front row seats, and private time with Jonas Brothers for the New York City shows
- TOP 20 Fans in the First FanFamily Project: Pair of tickets and meet and greet passes for a show in any city on the next Jonas Brothers tour.
- TOP FAN IN EACH STATE in the First FanFamily Project: Signed Jonas Brothers 3D movie poster
- TOP 500/250/100 FANS in the First FanFamily Project: Jonas Brothers ring tone
- TOP 1,000 FANS in the First FanFamily Project: Exclusive downloadable poster

After a bumpy start (thank you overwhelming popularity), I finally have myself all set up on the new Fan Family Experience (FFE) website. The site layout is similar to other social networking sites like Facebook or LinkedIn, and allows you to create a profile, make and join groups, and host and attend events – both virtual and in the real world.

You earn points for your level of participation. This included things like filling out all of your profile information, taking a tour of the site, inviting (or recruiting) friends, and joining your state team. It seems you will be able to earn more points by participating in upcoming events, etc. The highest point earners have the opportunity to win prizes ranging from “private time with Jonas Brothers” to exclusive downloads. Neat.

It seems like it has the potential to be a very powerful tool for mobilizing precise groups.

The whole site is free (other than you giving your deets to the powers that be), and seems to be a safe place for fans to get together, take action, and spread the word. There is a resource page, which at the moment contains only the 3D movie trailer, that will eventually contain documents, images, and other media.

I have to say that one of my favorite things about the site is that it is clean-cut, unfussy, and fairly easy to navigate (apart from being understandably sluggish today).

I am pleasantly surprised.

What are your feelings about the FFE, and do you see yourself using it?

Join the SR FFE group!

Hmmm I hit refresh after the countdown finished and the site is down so I'm guessing they are putting it live.
- mememoi** on January 24, 2009 at 11:03 am

LOL@Your Title!!!

First order of FFE business: Create a massive video mosaic of all Jonas fans examining each other quizzically/jauntily, ala the Brady Bunch opening credits.
- mollyanne** on January 24, 2009 at 11:04 am

Gah! I have an eye appt. I was hoping to get a peek at tour dates or something before I left but that's so not happening. I'll be back!
- cpaig** on January 24, 2009 at 11:09 am

Uhh...technical difficulties...

or what happens when 100,000 people descend on a website at the same time whilst it is being launched.

Jonas fans = awesome at crashing websites.
- cpaig** on January 24, 2009 at 11:12 am

Stay tuned.
- merry27** on January 24, 2009 at 11:13 am

tee hee-great title cpaig!

We are clinging desperately to the one open window that keeps flashing "countdown complete" over and over again.
- mememoi** on January 24, 2009 at 11:15 am

Flashing countdown complete? How ominous! Ka-boom!

merry27 on January 24, 2009 at 11:30 am

merry27 on January 24, 2009 at 11:34 am
we got usa but again log ins keep failing. good practice for ticket buying!

merry27 on January 24, 2009 at 11:40 am
I'm in!! success... must check email now.

Trish on January 24, 2009 at 11:47 am
I waited til 10:30 on purpose because I knew it would be bad. It's 10:45 and still can't get in...

merry27 on January 24, 2009 at 11:53 am
hi Trish we both got in but are still waiting for emails to activate accounts.

Elisa on January 24, 2009 at 11:54 am
The only countries available are...Afghanistan, Aland and Albanian Boo... It's a good thing Finland's at the beginning of the alphabet. 😊

Trish on January 24, 2009 at 11:57 am
That's funny -- when I get to the signup page, I see USA right there already in the box. Alright Merry! That's good news! Maybe there's hope for the rest of us! LOL!

Elisa on January 24, 2009 at 11:58 am
Now I got the full list of countries but I'm not able to log in... I think this is going to take time 😊

merry27 on January 24, 2009 at 12:00 pm
Yeah we just kept trying-not sure what the benefit is to early registration but we are still waiting for emails to activate the account so no details yet.

Stephanie on January 24, 2009 at 12:02 pm
Yeah, I'm thinking Saturday is probably not the best time to launch a very anticipated website.

mememol on January 24, 2009 at 12:15 pm
Well, Jonas fans would probably find a way to crash the thing if it launched at 3am on a Tuesday. 😊

Stephanie on January 24, 2009 at 12:16 pm
Ahh determination. I finally got in and am now waiting for the email.

merry27 on January 24, 2009 at 12:20 pm
stephanie-I'm still waiting...

mememol on January 24, 2009 at 12:23 pm
I'm in and activated...interesting -- activisty!! We best get some points for the blog. Hmmm... LOL. 😊
Off to work!

mememol on January 24, 2009 at 12:25 pm
(I haven't had time to really peruse the network, btw...hopefully soon.)

merry27 on January 24, 2009 at 12:29 pm
hmmm-I can see it's going to take some time to go through it all. interesting...

mollyanne on January 24, 2009 at 12:30 pm
Gah it won't let me in! Won't even connect me to the main page. I guess I'll have to wait it out.

beckyheartsjb on January 24, 2009 at 12:33 pm
Hi, I signed up and I'm waiting for an E-mail.

Elisa on January 24, 2009 at 12:34 pm
Lol, now there are only three countries available again... Back to square one! 😊
I'm going to go out with some friends, maybe I'll try again when I get back... Because it's not working for me now! 😊

merry27 on January 24, 2009 at 12:34 pm
 ok-it's kind of giving me a bit of a headache. I'm not going to criticize yet but it's all based on activities and inviting people to join and there are people on there who already(!) have 20+ activities. I need to spend a bit more time on it but right now I'm going to take a break and drink some coffee.
 good luck all!
 will be very interested in hearing what you all think.

cpaig on January 24, 2009 at 12:34 pm
 I've hit a wall too...
 off to tidy with the hopes of getting in later....

mollyanne on January 24, 2009 at 12:35 pm
 Well it let me create an account which is good but once it got to the next page, it froze up. I think I need to step away too. Interestingly enough, I did it on my phone because it wasn't working on my laptop.

mollyanne on January 24, 2009 at 12:39 pm
 I just got an email saying movie tickets are available in my area. Wahooooooooo!

Trish on January 24, 2009 at 12:40 pm
 Inviting people to join?! Yikes, I don't know anybody who would join...except you all! LOL!
 11:45 now. Still can't get an account. Get off your computers, fanairs!

Trish on January 24, 2009 at 12:44 pm
 United States had been showing up in the country box every time I tried...until now. It only goes up to Lesotho. Where the heck is Lesotho? Wonder if they actually have fans in Lesotho.....

Elisa on January 24, 2009 at 12:46 pm
 Lol, Trish, me neither! My friends would be like "You've got to be kidding me" if I even dared to suggest them to join the Jonas Brothers "FanFamily".
 Although one of my friends just told me that her dad listens to JB! And he's a musician, too. I thought it was cool...and funny.

merry27 on January 24, 2009 at 12:50 pm
 yeah...I won't be getting any points for inviting people in either! I think I've found my own fan family right here.
 The country list is so funny. If you were an Afghan Jonas fan you would be in heaven!
 I was working on my profile and guess what-the site went down....

coolmom823 on January 24, 2009 at 1:02 pm
 It won't even let me onto the page. Maybe later.

Tiffany on January 24, 2009 at 1:08 pm
 Mine stops at Montserrat. Never heard of it.

beckyheartsjb on January 24, 2009 at 1:14 pm
 Tiffany- That's where both sides of my family are from, its in the Caribbean.

merry27 on January 24, 2009 at 1:17 pm
 wow-see a geography lesson and Becky that is cool.
 Isn't there an Irish connection to Montserrat?

lenzmom on January 24, 2009 at 1:20 pm
 I actually got to the sign up page right away (much to my surprise), filled it in (United States came right up), hit submit, and... the page has been waiting ever since. I hadn't checked in here yet, so after abt 10 min., I thought it was my computer so I closed the browser and started over. Bad idea. Now I can't even get the site to load up all the way. Why am I not surprised? We expected the chat to make the internet go BOOM! This was more of a given.
 Mollyanne, thanks for the idea, I'm going to try it on my phone (I keep forgetting I have that option).

Tiffany on January 24, 2009 at 1:23 pm
 Thanks Becky!
 Now I'm waiting for my confirmation email. Im surprised I'm getting so far. I hope I make all the way through the sign up process soon, I'm hitting the slopes this afternoon!

beckyheartsjb on January 24, 2009 at 1:24 pm
 Yeah there is, my mum's family is Ryan and my Dad's family is Farrell. Irish settlers discovered the island. Montserrat is part of the Queen's Commonwealth which makes my mum and maternal grandmother British citizen when they moved to England in the 70s.

lenzmom on January 24, 2009 at 1:25 pm
 Well Pffffffttt! That didn't work either. Guess I'll have to work on it later after the site has un-imploded.

merry27 on January 24, 2009 at 1:30 pm
 that's cool Becky. My husband moved from Ireland to London when he was 4 but he still has an Irish passport!
 And now my fan family account won't recognize my password and I need to reset it. sigh....

BELIEVE THE HYPE.

Well at 12:30 EST I had no problem registering. I'm waiting on the confirmation e-mail. Not sure what this is going to add to my life! 😊 

merry27 on January 24, 2009 at 1:43 pm
well I am joining NY and CT "teams"
and there are a ton of groups to join like
Homeschoolers for Jonas
Egypt Jonas fans
so Elisa you can start one for Finland.
So far it's just like Facebook for Jonas fans.
So I'm with you flanom I'm not sure what this will add to our lives. 

Tiffany on January 24, 2009 at 1:48 pm
I'm excited! But I'm pretty sure the last thing I need is another distraction from Work and School. But oh well! 

Elisa on January 24, 2009 at 2:25 pm
Yay, I'm waiting for my confirmation e-mail now... although now I'm starting to worry that I typed my e-mail address wrong because I haven't received a message yet! I'm paranoid. 😊 

cpaig on January 24, 2009 at 2:36 pm
It is running much more smoothly for me now.
All set up. 
Definitely like Facebook for Jonas Fans, which has the potential to easily get out of control (much like Facebook...)
It will be exciting to see what types of things they will accomplish with this. It seems like it could be very powerful, and will enable them to surgically target fans in a particular region, which is cool.
Am a little nervous that my full name is all over the place, so I hope it remains a safe forum. Not that I have anything to hide... "twitch"

beckyheartsjb on January 24, 2009 at 2:45 pm
Yay!!!!!! I got my e-mail! 

Stephanie on January 24, 2009 at 2:52 pm
So will we be having an SR group? 

beckyheartsjb on January 24, 2009 at 2:56 pm
How much personal details are you going to put in? 

Elisa on January 24, 2009 at 2:56 pm
Apparently I did get the e-mail address right, because I just got the confirmation e-mail! Yay. This is going to be interesting. 😊 

Elisa on January 24, 2009 at 3:01 pm
I'm not sure, Becky... I'm still trying to figure out how this thing works! 😊 
Ooh, there's a group called "Adult JB fans". 😊 18+... Even I'm qualified! Lol.

Elisa on January 24, 2009 at 3:06 pm
Hey... This is probably a stupid question, but how do I know what my current password is? I mean, I didn't need one when I signed up! I don't get it. 😊 

beckyheartsjb on January 24, 2009 at 3:08 pm
I don't know either Elisa! 

Stephanie on January 24, 2009 at 3:12 pm
I was wondering about the password thing too. I'm scared to logout. 

cpaig on January 24, 2009 at 3:18 pm
I started a SR FFE group.
<http://www.fanfamilyexperience.com/g/siblingrevelry> 

merry27 on January 24, 2009 at 3:35 pm
my password was just the one I have for the email address I used.
Some of these girls are racking up the points so quickly!! 

Elisa on January 24, 2009 at 4:14 pm
Um, I guess I won't be able to log out... I have no idea what my password is. It's not my e-mail address' password. 😊 

coolmom823 on January 24, 2009 at 4:22 pm
Yeah, I can't login because there wasn't a temporary password in my welcome email, and I have asked to reset my password 3 times and the promised email containing the link to reset my password never comes. What to do? Did anybody's welcome email have a temporary password in it? 

merry27 on January 24, 2009 at 4:22 pm
and I just got a new password from FFE-
it's kind of confusing. 
I have to say for my daughter it's been too much. She knows she won't win any prizes and the overall effort required at this point has left her feeling frustrated. Still when things calm down a bit I'm sure she'll be happier.
Change can be tough when you are young!

merry27 on January 24, 2009 at 4:23 pm
so coolmom it was not in the welcoming email but in a separate email sent hours later. 

coolmom823 on January 24, 2009 at 4:23 pm

merry did you get an email that allowed you to change your password?

coolmom823 on January 24, 2009 at 4:25 pm

OK maybe my password email just hasn't come yet. Wait and see.

merry27 on January 24, 2009 at 4:26 pm

yes coolmom-the first email came at 11 ish and that allowed me to log in with my original password.

the new email came at 1:30

Mae on January 24, 2009 at 4:27 pm

I've had issues with signing up. I tried entering in my full name, email, zip code and hit submit but the next page wouldn't load for me. I just closed the window and figured I would try again later. I just did try again and it is telling me that my email was already used to create an account. I requested to have my activation email re-sent although I never received one in the first place. It said it should arrive in a few minutes but I haven't gotten anything.

I can't bring myself to care either. I don't care about earning points.

I did take some time to look at the WeTheCitizens site, the company that runs the site. It seems they have mostly worked with political campaigns, lobbying organizations, non-profits in a similar manner.

cpaig, I think the point is really to "surgically target fans" as you put it. WeTheCitizens' [2009](#) platform page details exactly that.

It looks like the company will provide really detailed stats and profiles back to JB and their management regarding their fan base.

merry27 on January 24, 2009 at 4:30 pm

I'm taking a much needed break. see everyone later.

coolmom823 on January 24, 2009 at 4:32 pm

I'm not surprised, Mae. I figured it was a way to gather info about the fanbase.

flamom on January 24, 2009 at 4:32 pm

It does not sound like it's for me ... but I haven't gotten the e-mail yet (3 hrs later). I guess I'll try again. I don't really mind it not working - it sounds time consuming (I don't need more of that) and also like a lot of chatting (and I am fulfilled right here chat-wise) 😊

flamom on January 24, 2009 at 4:37 pm

Maybe now they might see how many 18+ fans they have - I do hope a lot of us sign up there. Let's all e-mail Katie Couric, Kim Kardashian, LC (The Hills), Barry Gibb and anyone else we can think of! 😊

flamom on January 24, 2009 at 4:38 pm

I like how the Web page says "It only takes a few seconds" -

ROFL!!!!!!

More like millions of seconds and multiple attempts! 😊

2009 will be a big year for me if I can manage to actually get on the Web site. Ha!

beckyheartsjb on January 24, 2009 at 4:39 pm

Don't forget Smokey Robnson Flamom!

cpaig on January 24, 2009 at 4:51 pm

Hey coolmom, mine did - but I didn't see it right away...

It was at the end of the line: Your new account...

I didn't see it at first either.

When you get in you can change your password.

I am sorry it is being frustrating. I am sure that is not the goal.

cpaig on January 24, 2009 at 4:52 pm

Oof, that was redundant.

coolmom823 on January 24, 2009 at 4:57 pm

Here is what was in my email:

Thank you for signing up with FanFamily Experience.

Please visit the link below to complete the registration process:

This is an automated email. Replies to this message are not monitored or answered.

No password? Or am I being incredibly stupid? When I go to the link it asks me to log on, and I can't, because I don't know what the password is.

cpaig on January 24, 2009 at 4:59 pm

I guess they are trying to centralize their fans?

I imagine many of them each belong to multiple fan enteties (like I do) Myspace, Facebook, JonasBrothers.com, Team Jonas...FFE

I don't think it asked for gender. Which is really interesting - so that is not a thing the site will measure.

Or did it ask and I missed it?

beckyheartsjb on January 24, 2009 at 5:01 pm

Coolmom, I got that Email first then a couple of hours later I got the Email with my password.

cpaig on January 24, 2009 at 5:01 pm

Oh - OK
that link is the e-mail verification link.

After you click that you are supposed to get another e-mail that starts:
Thank you for signing up for FanFamily Experience.

Your new account...
and it will have a login link: <http://www.fanfamilyexperience.com/ari/gettingStarted>
and your temp password.

But when I clicked on the "getting started" link I didn't have to enter my password.

coolmom823 on January 24, 2009 at 5:08 pm

I got the first email at 1:00 EST, and I still haven't gotten the second one.

cpaig on January 24, 2009 at 5:32 pm

According to JBF and JonasHQ, you are not alone.
IDK what the problem is... volume I am guessing. 😊

Trish on January 24, 2009 at 5:33 pm

It's 4:30 pm and I still can't even register. I think I'll just give up for a couple of days until it all dies down.

Uh-oh, I'm lost on Facebook so I will be on there to I guess.

So I'm assuming nothing earth shattering happened, like, umm, TOUR DATES?!
Wah!

Interesting that they are using data warehousing type techniques to gain info on their fanbase. I agree that finding out they have more older fans may be a big plus!

cpaig on January 24, 2009 at 5:35 pm

No tour dates to be seen.

The focus is definitely the Jonas Brothers 3D Experience for now...

coolmom823 on January 24, 2009 at 5:40 pm

Oh, these naive site running companies. Don't they know that for JB fans, overloading/crashing sites is business as usual?

cpaig on January 24, 2009 at 5:54 pm

I guess not. LOL ... I can imagine those cocky geeks (meaning the reps responsible for the launch) sweating bullets as we speak - LOL.

They are eating the words "Pff, we launched the site for Blankity Blank with no problems. It will be seamless."

They have learned the lesson to never underestimate the power of Jonas - ever.

Mae on January 24, 2009 at 8:08 pm

This is a late observation but I was just re-viewing part of the live chat from last weekend and I completely missed this.

When somebody asks what animal Mrs. Jonas would like to be Joe suggested a chinchilla. Although chinchillas are adorable, could he have possibly thought of a more random animal?????

It made me laugh.

ponedbyjb on January 24, 2009 at 8:24 pm

Hey all,
I am still awaiting my conformation e-mail... I am excited about the site. I think it is going to be kind of fun. I have a feeling they have some great surprises in store for us. Plus i am all about letting them know that I am proud to be an older JB fan!

hmmm
now I have a ton of friend requests from these teens. Do they get points for friending me I wonder?

cpaig your analysis is so funny!

And yet the groups and state teams still seem quite small to me so why is it so dogged up?

does anyone know

Joe=Prada
Nick=Polo Black
Kevin=???

Kevin = Yves Saint Laurent

But you have to say it with that funny French accent... Yves St Laurent... and scrunch up your face like Kev did on the live chat...then Joe did it, to mimic him. 😊

Ok, I am home from work, Brody said he signed me up. I have the one email, the initial one that doesn't contain a password. I have not gotten any other emails. I tried to go the 'forgot password' route, to get a new password, but no luck on that one either.

Sigh.

Amanda glad Brody was able to sign you up.

ok-I just saw on TJ that the boys were at a sneak peek of the JB movie in Dallas- no cameras allowed and Barbara Walters was there filming them. I don't like BW but I guess we can look forward to some prime time JB.

You're right - I think the Jonas people decided they would make their own MySpace/Facebook for their fans - why should they give all that exposure to other companies. They might as well have their own enterprise. Smart. Makes sense too. Kudos.
