v.

Kusmi Tea

Jennifer Krisp, Interlocutory Attorney:

Opposer's stipulated motion (filed July 26, 2011) to suspend this proceeding for thirty (30) days is hereby granted for good cause shown. The Board notes that the parties state that they "wish to take a short period of time to engage in settlement discussions before beginning the ACR process."

Accordingly, proceedings are suspended until thirty (30) days from the mailing date of this order.

In the event that there is no word from either party concerning the progress of their negotiations, within ten (10) days of the conclusion of the suspension period, the Board will expect the parties to file herein a revised stipulated schedule, as noted in their motion.
