v.

Ooh La La! Jewelry and  
Accessories, Inc.

**Lalita Greer, Paralegal Specialist:**

Opposer's consented motion filed August 13, 2013 to suspend proceedings is granted as **modified**. Because the parties are negotiating for possible settlement of this case, proceedings herein are suspended as requested, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

The Board, however, notes that the parties have been granted numerous suspensions.

In view thereof, all further requests for suspension (or extension) of the proceedings for settlement must be accompanied by a detailed report on the progress of the parties' settlement talks to establish good cause for any continued suspension (or extension). Such report should

include a recitation of the issues that have been resolved; an account of the issues that remain in dispute; and a firm timetable for resolution. The report should also list all dates on which the parties have discussed settlement during the prior extension period either by telephone, by correspondence, or in person.

The parties are further advised that absent submission of a detailed progress report with any future motions to extend or suspend, such motions may not be approved, even though consented to by the parties.

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, proceedings shall resume without further notice or order from the Board, upon the schedule set out below.
