Application No.: 77/855,572

APPLICANT'S MOTION TO RESUME THE OPPOSITION PROCEEDINGS

Applicant, Broadchip Technology Group Ltd. ("Broadchip" or "Applicant"), hereby moves the Trademark Trial and Appeal Board (the "board") for rejecting the Opposer, Broadcom Corporation ("Broadcom" or "Opposer")'s motion for summary judgment dated on June 24, 2016. We received the Notice from Trademark Trial and Appeal Board (Board) of the United States Patent and Trademark Office(USPTO) dated on June 2, 2016 that the proceedings would be resumed. And also the Board has set up the dates for the proceedings. Broadchip immediately contacted the Opposer to set the deposition date through phone call and email. But we don't get any answer from Opposer until June 22,2016 that the Opposer e-mail us back that they will file the motion for summary judgment.

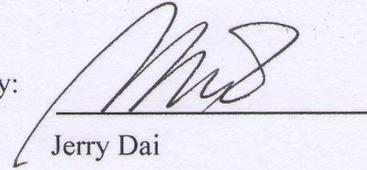

Broadchip reviewed the Opposer's documents for motion for summary judgment and found that the most of the facts in the Requests for Admission of Opposer's documents are misleading and we never admitted by written or oral deposition to most of these facts. Besides, we got the trade mark reward from Chinese Trademark Office("CTMO") on Feb. 02,2011 already (attached file). We think it is fair to resume the trial proceedings before the Board. We also request some time to find the attorney to represent the Broadchip. Broadchip respectfully requests that the Board reject the Opposer's motion for summary

judgment and resume the trial proceedings.

Respectfully Summit

Broadchip Technology Group Ltd.
