**JOINT STATEMENT IN SUPPORT OF FURTHER SUSPENSION**

In support of the parties' joint request of June 20, 2013 to further extend the deadlines in this matter, and pursuant to the Board's order of March 29, 2013, the parties provide the following status report on efforts to settle this matter.

The parties report that they have reached a settlement of this matter, and anticipate that the matter will be withdrawn very shortly. The delay in this matter has been cause in large part due to the global nature of the overall dispute. The parties are in Spain and Thailand, working through separate their own separate counsel in those locations, with input from counsel in the United States with regard to this case. Nevertheless, it appears that a settlement has been reached, and the parties anticipate that this matter will be concluded within the period of suspension currently being requested.
