v.

Big Score Entertainment, LLC
d/b/a BSE Recordings

Michael B. Adlin, Interlocutory Attorney:

On April 26, 2011, the Board issued an order allowing applicant thirty days to file the appropriate fee for processing of the request to divide its involved application. Applicant's April 29, 2011 response is noted and a review of the file reveals that the appropriate fee has now been applied to Serial No. 77751586.

Applicant seeks to have a newly created "child" application to include unopposed goods in Class 25 and services in Class 41. The opposed Class 9 goods will remain in the parent application.

In view thereof, the request to divide is forwarded to the Intent to Use Division for the processing of the divisional request. Proceedings otherwise remain suspended pursuant to the Board's order of April 26, 2011.
