The grounds for this request are as follows:

- *Parties are unable to complete discovery/testimony during assigned period*
- *Parties are engaged in settlement discussions*
- *Progress has been made towards a resolution of this matter. Since the institution of the proceedings the parties have had verbal and written settlement negotiations, as well as prepared multiple revisions to a draft settlement agreement and exchanged a more updated version of a draft settlement agreement. Specifically, since the parties last sought an extension on December 12, 2013, Applicant's counsel reviewed the draft agreement that was prepared by Opposer with Applicant. Thereafter, Applicant's counsel revised the agreement according to Applicant's comments, and sent the revised agreement to Opposer's counsel for consideration. Opposer's outside counsel reviewed the revised agreement, and the parties held a lengthy telephone conference regarding Applicant's proposed revisions to the*

agreement. Opposer#s outside counsel then relayed the revised agreement to Opposer#s in-house counsel for consideration. The additional time is requested for Opposer#s in-house counsel to consider Applicant#s proposed changes to the agreement, and for the parties to continue to work towards settlement of this matter. If the agreement is accepted, there will be no need to continue with this Opposition. The parties note that they are jointly committed to reaching an amicable resolution and have made progress. Additionally, the parties note that they are engaged in the discovery process. Applicant served its written requests on Opposer. Due to the massive amount of materials that will need to be gathered covering an extensive period of time, Opposer needs additional time to respond to discovery, as well as to complete discovery. The parties have agreed that Opposer#s deadline to respond to discovery will be extended until June 1, 2014. The parties therefore request the extension in order to allow time to complete the discovery process and to work towards settlement of this matter.

Boston Red Sox Baseball Club Limited Partnership has secured the express consent of all other parties to this proceeding for the extension and resetting of dates requested herein.

Boston Red Sox Baseball Club Limited Partnership has provided an e-mail address herewith for itself and for the opposing party so that any order on this motion may be issued electronically by the Board.
