**STIPULATION TO AMEND
APPLICATION AND DISMISS OPPOSITION**

The parties, by their undersigned attorneys, hereby stipulate that the application at issue in this proceeding, Serial No. 79/060,709, be amended by deleting the entirety of the description of services in International Class 41 from the identification such that solely the services in Classes 35 and 39 shall remain in the identification.

The parties respectfully point out that, because the amendment merely limits, rather than alters or expands, the identification of goods, this stipulation can be approved immediately by the Board and need not be submitted to the Official Examiner.

The parties further stipulate that, after the entry and acceptance of the amendment, this opposition shall be dismissed without prejudice.

Respectfully submitted,
