**JOINT MOTION TO AMEND THE APPLICATIONS
AND FOR FURTHER SUSPENSION OF THE PROCEEDING**

The parties have executed a written settlement agreement in this matter. In accord with its terms, and pursuant to TBMP § 514.02, the parties jointly request leave to amend their respective trademark applications that are at issue in this proceeding.

In Application Serial No. 79/083,600, the parties request that the recitation of goods and services be amended to delete all goods in International Classes 001 and 031, and the goods and services in International Classes 9, 41, 42 shall be amended as follows:

IC 009: Computer software for use in estimating amino acid content in feedstuff for livestock and in formulating livestock diets in the field of animal nutrition; Diagnostic apparatus for testing feed ingredients; ~~Measuring apparatus, namely, technical measuring, testing and checking apparatus and instruments for measuring, testing and checking feed ingredient raw material and rapid evaluation of digestibility in heat processed raw materials; Testing and food analysis apparatus, namely, apparatus for testing gas, liquid and solids for feed ingredient analysis; Testing and food analysis apparatus, namely, apparatus for testing gas, liquid and solids to detect heat damage in a processed raw material and to adjust amino acid digestibility in order to prevent performance depression of animals fed ingredients; Testing and food analysis apparatus, namely, apparatus for testing animal nutrition liquids and solids; Testing and food analysis apparatus, namely, apparatus for testing gas, liquid and solid raw materials for amino acid content; Scientific instruments, namely, electronic analyzers for testing feed ingredient raw material quality.~~

IC 041: Education and instruction, namely, conducting conferences, congresses, symposiums and colloquiums in the field of feedstuff and animal nutrition; ~~entertainment in the nature of conducting entertainment exhibitions in the nature of animal exhibitions and animal nutrition festivals;~~ teaching and continuing professional education for experts in the field of feedstuff and animal nutrition; arranging and conducting of conferences, congresses, symposiums and colloquiums in the field of animal nutrition and feedstuff; ~~organization of exhibitions for cultural and/or educational purposes; publication of books, newspapers and periodicals;~~ arranging and conducting of seminars and workshops, especially for experts in field of animal nutrition.

IC 042: Scientific and technological services and research and design in the field of animal nutrition, feedstuff, and chemicals; industrial analysis and research services in the field of animal nutrition and feedstuff; design and development of computer hardware and software, in particular computer programs, especially as a database for amino acid analysis in feedstuffs for animal nutrition; ~~computer software consultancy;~~ technical consulting services for the animal feed industry about scientific research in the use of animal feed ingredients; ~~chemistry consulting services; bacteriological and/or chemical laboratory research services; physics research; Research, namely, materials testing, analyzing, and evaluation; Industrial analysis, namely, product testing;~~ Scientific and technological services, namely, scientific research, analysis and testing in the fields of feed ingredient raw material and amino acid digestibility; Research, namely, testing of raw materials and feed additives; Industrial analysis, namely, testing or research on machines, apparatus and instruments for raw materials and feed additives

In Application Serial No. 85/096,047, the parties request that the recitation of goods be amended as follows:

005: animal feed supplement for livestock being raised for the purpose of milk production

031: ~~livestock~~ feed for livestock being raised for the purpose of milk production

In light of this request to amend, the parties request a 60-day suspension of the consolidated proceeding or until the Board enters the requested amendments, whichever is shorter.

Respectfully submitted,

/s/Cheryl L. Burbach
