To whom it may concern;

Hello, my name is Gilbert Lerma and I am one of the cofounders of Stylistics Car Club. I'm writing this letter with the intent of having my opposition request being reconsidered, my attorney did not follow the proper procedures and therefore my opposition petition was terminated. We started Stylistics Car Club of SO. LA 25 years ago, and started the process to Trademark our logo in early 2009. That attorney also ruined things for us because he filed for the copyright, California Trademark (which we own) but never filed for the Federal Trademark. I want the chance to continue fighting for what is rightfully ours, I've relied on my attorneys to take care of everything for me but as you can see both times they have ruined my chances. I would greatly appreciate a chance to continue with my fight to protect our logo which has a lot of history. Thank you in advance.
