NOVOZYMES BIOAG, INC. (formerly
EMD CROP BIOSCIENCE, INC.),

Opposer,

v.

CLEARY CHEMICALS, LLC.,

Applicant.

Opposition No. 91200105

**REQUEST FOR EXTENSION OF TIME
TO RESPOND TO APPLICANT'S DISCOVERY**

Opposer requests a two-week extension of time from October 9, 2012 to October 23, 2012, within which to respond to applicant's discovery consisting of requests for admissions, interrogatories and requests for production of documents. Opposer's attorney has been unable to assemble all of the necessary documents and obtain information from former employees. If the responses are complete, it will save both parties time and expense in the long run. Furthermore, the parties have tentatively raised the question of possible settlement which will be explored next week.

Applicant's attorney Tama L. Drenski, has consented to this extension of time.
