v.

Miss G-String International LLC

Veronica P. White, Paralegal Specialist:

The Board notes that on February 26, 2015 Applicant filed with the Board a copy of its pretrial disclosures that were apparently served on counsel for Opposer. However, pretrial disclosures, like requests for discovery, responses thereto, and materials or depositions obtained through the disclosure or discovery process, should not be filed with the Board except when submitted (1) with a motion relating to discovery; or (2) in support of or in response to a motion for summary judgment; or (3) under a notice of reliance during a party's testimony period; or (4) as exhibits to a testimony deposition; or (5) in support of an objection to proffered evidence on the ground that the evidence should have been, but was not, provided in response to a request for discovery. *See* Trademark Rule 2.120(j)(8); TBMP § 704.09.

The record reflects that the pretrial disclosures were not filed with respect to any of these enumerated reasons. In view thereof, the parties are advised that the Board will give no further consideration to Applicant's pretrial disclosures, filed February 26, 2015.

Trial dates remain as previously reset by Board order dated February 12, 2015.
