Opposer's counsel to forward the revived agreement to Applicant's counsel for review by Applicant. If accepted, the settlement agreement would resolve this matter without the need to proceed with the opposition proceedings.

In the event that the Board denies this motion, Opposer consents to an extension of time for Applicant to file an answer or otherwise respond to the Notice of Opposition until sixty (60) days after such denial.

If the Board grants this motion, the Board should also reset Applicant's time to answer or otherwise respond to the Notice of Opposition. Additionally, the parties request that six months of discovery be allowed and that the discovery cutoff be reset to six (6) months after the proceedings resume so that the parties will have the full period of discovery in the event that the matter is not able to be resolved. The trial periods and other periods should be reset accordingly.
