v.

Disney Enterprises, Inc.

Millicent Canady, Paralegal Specialist:

Applicant's motion (filed January 2, 2014) to suspend proceedings is noted.

Because the parties are negotiating for a possible settlement of this case, proceedings herein are suspended until April 4, 2014, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

In the event that the parties file any further motions for extension or suspension, they are required to demonstrate good cause for the request in the form of a detailed report to the Board regarding the progress of any settlement efforts they have made since the date of the last extension. The report must accompany any such motion filed, and must include: a recitation of issues that have been resolved, issues that remain to be resolved, and a firm

timetable for resolution. Absent such a report, any further motions to extend or suspend may not be approved, even though agreed to by the parties.

If there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, proceedings shall resume without further notice or order from the Board.

Applicant's answer to the notice of opposition, conferencing, disclosure, discovery and trial dates are reset as set forth in applicant's motion.

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rule 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
