Opposition No. 91200604

Castro Cheese Company, Inc.

v.

Richard Cooper

On September 12, 2011, the parties filed applicant's proposed amendment to its involved application Serial No. 85081715, with opposer's consent, and opposer's withdrawal without prejudice of the opposition, contingent upon entry of the amendment. By the proposed amendment, applicant seeks to change the identification of services in International Class 43 **from** "Bar and restaurant services" **to** "Steak house restaurant and bar services."

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(a), and because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

The contingency in opposer's withdrawal having now been met, the opposition is dismissed without prejudice.
